15 SEC. 27. Section 8222 of the Education Code is amended to
16 read:

17 8222. (a) Payments made by alternative payment programs
18 shall not exceed the applicable market rate ceiling. Alternative
19 payment programs may expend more than the standard
20 reimbursement rate for a particular child. However, the aggregate
21 payments for services purchased by the agency during the contract
22 year shall not exceed the assigned reimbursable amount as
23 established by the contract for the year. No agency may make
24 payments in excess of the rate charged to full-cost families. This
25 section does not preclude alternative payment programs from using
26 the average daily enrollment adjustment factor for children with
27 exceptional needs as provided in Section 8265.5.

28 (b) Alternative payment programs shall reimburse licensed
29 providers in accordance with a biennial market rate survey pursuant
30 to Section 8447, at a rate not to exceed the ceilings established
31 pursuant to Section 8357.

32 (c) An alternative payment program shall reimburse a licensed
33 provider for care of a subsidized child based on the rate charged
34 by the provider to nonsubsidized families, if any, for the same
35 services, or the rates established by the provider for prospective
36 nonsubsidized families. A licensed provider shall submit to the
37 alternative payment program a copy of the provider’s rate sheet
38 listing the rates charged, and the provider’s discount or scholarship
39 policies, if any, along with a statement signed by the provider

1 confirming that the rates charged for a subsidized child are equal
2 to or less than the rates charged for a nonsubsidized child.

3 (d) An alternative payment program shall maintain a copy of
4 the rate sheet and the confirmation statement.

5 (e) A licensed provider shall submit to the local resource and
6 referral agency a copy of the provider's rate sheet listing rates
7 charged, and the provider's discount or scholarship policies, if
8 any, and shall self-certify that the information is correct.

9 (f) Each licensed provider may alter rate levels for subsidized
10 children once per year and shall provide the alternative payment
11 program and resource and referral agency with the updated
12 information pursuant to subdivisions (c) and (e), to reflect any
13 changes.

14 (g) A licensed provider shall post in a prominent location
15 adjacent to the provider's license at the child care facility the
16 provider's rates and discounts or scholarship policies, if any.

17 (h) An alternative payment program shall verify provider rates
18 no less frequently than once a year by randomly selecting 10
19 percent of licensed providers serving subsidized families. The
20 purpose of this verification process is to confirm that rates reported
21 to the alternative payment programs reasonably correspond to
22 those reported to the resource and referral agency and the rates
23 actually charged to nonsubsidized families for equivalent levels
24 of services. It is the intent of the Legislature that the privacy of
25 nonsubsidized families shall be protected in implementing this
26 subdivision.

27 (i) The department shall develop regulations for addressing
28 discrepancies in the provider rate levels identified through the rate
29 verification process in subdivision (h).

36 program. The total cost for administration and support services
37 shall not exceed an amount equal to 17.5 percent of the total
38 contract amount. The administrative costs shall not exceed the
39 costs allowable for administration under federal requirements.

1 ~~SEC. 28.~~

2 *SEC. 29.* Section 8225 of the Education Code is amended to
3 read:

4 8225. When making referrals, every agency operating a direct
5 classroom services program or a resource and referral program
6 and an alternative payment program shall provide at least four
7 referrals, at least one of which shall be a provider over which the
8 agency has no fiscal or operational control, as well as information

16 who requests a referral of his or her right to view the licensing
17 information of a licensed child day care facility required to be
18 maintained at the facility pursuant to Section 1596.859 of the
19 Health and Safety Code and to access any public files pertaining
20 to the facility that are maintained by the State Department of Social
21 Services Community Care Licensing Division.

22 (b) A written or oral advisement in substantially the following
23 form will comply with the requirements of subdivision (a):

24 “State law requires licensed child day care facilities to make
25 accessible to the public a copy of any licensing report pertaining
26 to the facility that documents a facility visit or a substantiated
27 complaint investigation. In addition, a more complete file regarding
28 a child care licensee may be available at an office of the State
29 Department of Social Services Community Care Licensing
30 Division. You have the right to access any public information in
31 these files.”

32 (c) Every program operating pursuant to this article shall, within
33 two days of receiving notice, remove from the program’s referral
34 list the name of any licensed child day care facility with a
35 revocation or a temporary suspension order or that is on probation.

36 (d) A program operating pursuant to this article shall, within
37 two business days of being notified of a revocation or a temporary
38 suspension order for a licensed child day care facility, do both of
39 the following:

- 40 (1) Terminate payment to the facility.

1 (2) Notify each parent and the facility in writing that payment
2 has been terminated and the reason for the termination.

3 (e) A program operating pursuant to this article shall, upon being
4 notified that a licensed child day care facility has been placed on
5 probation, provide written notice to each parent utilizing the facility
6 that the facility has been placed on probation and that the parent
7 has the option of selecting a different provider or remaining with
8 the facility without risk of subsidy payments to the provider being
9 terminated. The Legislature urges each agency operating pursuant
10 to this section to provide the written notice required by this
11 subdivision in the primary language of the parent, to the extent
12 feasible.

14 *SEC. 31.* Section 8227 of the Education Code is amended to
15 read:

16 8227. (a) To the extent that funding is made available for this
17 purpose through the annual Budget Act, the alternative payment
18 agency in each county shall design, maintain, and administer a

29 (b) Notwithstanding subdivision (a), in those counties in which
30 a countywide centralized eligibility list exists, as of the date that
31 the act adding this section is enacted, the entity administering that
32 list may receive funding, instead of the entity specified under
33 subdivision (a).

34 (c) Each centralized eligibility list shall include all of the
35 following:

6 and in the manner determined by the department.

7 (e) (1) To be eligible to enter into an agreement with the
8 department to provide subsidized care, a contractor shall participate
9 in and use the centralized eligibility list.

10 (2) A contractor with a campus child care and development
11 program operating pursuant to Section 66060, a program operating

18 provide early learning and educational support services. A
19 contractor or program described in this paragraph may utilize any
20 waiting lists developed at its local site to fill vacancies for its
21 specific population. Families enrolled from a local site waiting list
22 shall be enrolled pursuant to Section 8263.

33 medical, or social service agency. If an agency is unable to enroll
34 a child in this first priority category, the agency shall refer the
35 child’s parent or guardian to local resource and referral services
36 so that services for the child can be located.

37 (2) Notwithstanding Section 8263, after children in the first
38 priority category set forth in paragraph (1) are enrolled, each
39 agency funded pursuant to Section 8235 shall give priority to
40 eligible four-year-old children before enrolling eligible

1 three-year-old children. Each agency shall certify to the
2 Superintendent that enrollment priority is being given to eligible
3 four-year-old children.

4 (b) For contractors that provide part-day preschool services that
5 are operating with funding that was initially allocated in a prior
6 fiscal year, at least one-half of the children enrolled at a preschool
7 site shall be four-year-old children. Any exception to this
8 requirement shall be approved by the Superintendent. The
9 Superintendent shall inform the Department of Finance of any
10 exceptions that have been granted and the reasons for granting the

19 the following fiscal year with those expansion funds. The agency
20 also shall furnish documentation that indicates the basis of those
21 estimates.

22 (2) In awarding contracts for expansion pursuant to this
23 subdivision, the Superintendent, after taking into account the
24 geographic criteria established pursuant to Section 8279.3, and the
25 headquarters preferences and eligibility criteria relating to fiscal
26 or programmatic noncompliance established pursuant to Section
27 8261, shall give priority to applicant agencies that, in expending
28 the expansion funds, will be serving the highest percentage of
29 four-year-old children.

30 (d) This section does not preclude a local educational agency
31 from subcontracting with an appropriate public or private agency
32 to operate a California state preschool program and to apply for
33 funds made available for the purposes of this section. If a school
34 district chooses not to operate or subcontract for a California state
35 preschool program, the Superintendent shall work with the county
36 office of education and other eligible agencies to explore possible
37 opportunities in contracting or alternative subcontracting to provide
38 a California state preschool program.

1 (e) This section does not prevent eligible children who are
2 currently receiving services from continuing to receive those
3 services in future years pursuant to this chapter.

30 exploited.

31 (2) A family needs the child care services (A) because the child
32 is identified by a legal, medical, or social services agency, or
33 emergency shelter as (i) a recipient of protective services or (ii)
34 being neglected, abused, or exploited, or at risk of neglect, abuse,
35 or exploitation, or (B) because the parents are (i) engaged in
36 vocational training leading directly to a recognized trade,
37 paraprofession, or profession, (ii) employed or seeking
38 employment, (iii) seeking permanent housing for family stability,
39 or (iv) incapacitated.

1 (b) Except as provided in Article 15.5 (commencing with Section
2 8350), priority for federal and state subsidized early learning and
3 educational support services is as follows:

4 (1) (A) First priority shall be given to neglected or abused
5 children who are recipients of child protective services, or children
6 who are at risk of being neglected or abused, upon written referral
7 from a legal, medical, or social services agency. If an agency is
8 unable to enroll a child in the first priority category, the agency
9 shall refer the family to local resource and referral services to
10 locate services for the child.

11 (B) A family who is receiving child care on the basis of being
12 a child at risk of abuse, neglect, or exploitation, as defined in
13 subdivision (i) of Section 8208, is eligible to receive services
14 pursuant to subparagraph (A) for up to three months, unless the
15 family becomes eligible pursuant to subparagraph (C).

16 (C) A family may receive child care services for up to 12 months
17 on the basis of a certification by the county child welfare agency
18 that child care services continue to be necessary or, if the child is
19 receiving child protective services during that period of time, and
20 the family requires child care and remains otherwise eligible. This
21 time limit does not apply if the family's referral is recertified by
22 the county child welfare agency.

23 (2) Second priority shall be given equally to eligible families,
24 regardless of the number of parents in the home, who are income
25 eligible. Within this priority, families with the lowest gross monthly
26 income in relation to family size, as determined by a schedule
27 adopted by the Superintendent, shall be admitted first. If two or
28 more families are in the same priority in relation to income, the
29 family that has a child with exceptional needs shall be admitted
30 first. If there is no family of the same priority with a child with
31 exceptional needs, the same priority family that has been on the
32 waiting list for the longest time shall be admitted first. For purposes
33 of determining order of admission, the grants of public assistance
34 recipients shall be counted as income.

35 (3) The Superintendent shall set criteria for and may grant
36 specific waivers of the priorities established in this subdivision for
37 agencies that wish to serve specific populations, including children
38 with exceptional needs or children of prisoners. These new waivers
39 shall not include proposals to avoid appropriate fee schedules or
40 admit ineligible families, but may include proposals to accept

1 members of special populations in other than strict income order,
2 as long as appropriate fees are paid.

3 (c) Notwithstanding any other law, in order to promote
4 continuity of services, a family enrolled in a state or federally
5 funded child care and development program whose services would
6 otherwise be terminated because the family no longer meets the
7 program income, eligibility, or need criteria may continue to
8 receive child development services in another state or federally
9 funded child care and development program if the contractor is
10 able to transfer the family's enrollment to another program for
11 which the family is eligible before the date of termination of
12 services or to exchange the family's existing enrollment with the
13 enrollment of a family in another program, provided that both
14 families satisfy the eligibility requirements for the program in
15 which they are being enrolled. The transfer of enrollment may be
16 to another program within the same administrative agency or to
17 another agency that administers state or federally funded child
18 care and development programs.

19 (d) In order to promote continuity of services, the Superintendent
20 may extend the 60-working-day period specified in subdivision
21 (a) of Section 18086.5 of Title 5 of the California Code of
22 Regulations for an additional 60 working days if he or she
23 determines that opportunities for employment have diminished to
24 the degree that one or both parents cannot reasonably be expected
25 to find employment within 60 working days and granting the
26 extension is in the public interest. The scope of extensions granted
27 pursuant to this subdivision shall be limited to the necessary
28 geographic areas and affected persons, which shall be described
29 in the Superintendent's order granting the extension. It is the intent
30 of the Legislature that extensions granted pursuant to this
31 subdivision improve services in areas with high unemployment
32 rates and areas with disproportionately high numbers of seasonal
33 agricultural jobs.

34 (e) A physical examination and evaluation, including
35 age-appropriate immunization, shall be required before, or within
36 six weeks of, enrollment. A standard, rule, or regulation shall not
37 require medical examination or immunization for admission to an
38 early learning and educational support program of a child whose
39 parent or guardian files a letter with the governing board of the
40 program stating that the medical examination or immunization is

1 contrary to his or her religious beliefs, or provide for the exclusion
2 of a child from the program because of a parent or guardian having
3 filed the letter. However, if there is good cause to believe that a
4 child is suffering from a recognized contagious or infectious
5 disease, the child shall be temporarily excluded from the program
6 until the governing board of the program is satisfied that the child
7 is not suffering from that contagious or infectious disease.

8 (f) Regulations formulated and promulgated pursuant to this
9 section shall include the recommendations of the State Department
10 of Health Care Services relative to health care screening and the
11 provision of health care services. The Superintendent shall seek
12 the advice and assistance of these health authorities in situations
13 where service under this chapter includes or requires care of
14 children who are ill or children with exceptional needs.

15 (g) (1) The Superintendent shall establish a fee schedule for
16 families utilizing early learning and educational support services
17 pursuant to this chapter, including families receiving services under
18 paragraph (1) of subdivision (b). Families receiving services under
19 subparagraph (B) of paragraph (1) of subdivision (b) may be
20 exempt from these fees for up to three months. Families receiving
21 services under subparagraph (C) of paragraph (1) of subdivision
22 (b) may be exempt from these fees for up to 12 months. The
23 cumulative period of time of exemption from these fees for families
24 receiving services under paragraph (1) of subdivision (b) shall not
25 exceed 12 months.

26 (2) The income of a recipient of federal supplemental security
27 income benefits pursuant to Title XVI of the federal Social Security
28 Act (42 U.S.C. Sec. 1381 et seq.) and state supplemental program
29 benefits pursuant to Title XVI of the federal Social Security Act
30 (42 U.S.C. Sec. 1381 et seq.) and Chapter 3 (commencing with
31 Section 12000) of Part 3 of Division 9 of the Welfare and
32 Institutions Code shall not be included as income for purposes of
33 determining the amount of the family fee.

34 (h) (1) The family fee schedule shall provide, among other
35 things, that a contractor or provider may require parents to provide
36 diapers. A contractor or provider offering field trips either may
37 include the cost of the field trips within the service rate charged
38 to the parent or may charge parents an additional fee. Federal or
39 state money shall not be used to reimburse parents for the costs of
40 field trips if those costs are charged as an additional fee. A

1 contractor or provider that charges parents an additional fee for
2 field trips shall inform parents, before enrolling the child, that a
3 fee may be charged and that no reimbursement will be available.

4 (2) A contractor or provider may charge parents for field trips
5 or require parents to provide diapers only under the following
6 circumstances:

7 (A) The provider has a written policy that is adopted by the
8 agency's governing board that includes parents in the
9 decisionmaking process regarding both of the following:

10 (i) Whether or not, and how much, to charge for field trip
11 expenses.

12 (ii) Whether or not to require parents to provide diapers.

13 (B) The maximum total of charges per child in a contract year
14 does not exceed twenty-five dollars (\$25).

15 (C) A child shall not be denied participation in a field trip due
16 to the parent's inability or refusal to pay the charge. Adverse action
17 shall not be taken against a parent for that inability or refusal.

18 (3) Each contractor or provider shall establish a payment system
19 that prevents the identification of children based on whether or
20 not their parents have paid a field trip charge.

21 (4) Expenses incurred and income received for field trips
22 pursuant to this section shall be reported to the department. The
23 income received for field trips shall be reported specifically as
24 restricted income.

25 (i) The Superintendent shall establish guidelines for the
26 collection of employer-sponsored child care benefit payments from
27 a parent whose child receives subsidized early learning and
28 educational support services. These guidelines shall provide for
29 the collection of the full amount of the benefit payment, but not
30 to exceed the actual cost of early learning and educational support
31 services provided, notwithstanding the applicable fee based on the
32 fee schedule.

33 (j) The Superintendent shall establish guidelines according to
34 which the director or a duly authorized representative of the early
35 learning and educational support program will certify children as
36 eligible for state reimbursement pursuant to this section.

37 (k) Public funds shall not be paid directly or indirectly to an
38 agency that does not pay at least the minimum wage to each of its
39 employees.

2 *SEC. 60.* Section 8263.2 of the Education Code is amended to
3 read:

4 8263.2. (a) Notwithstanding any other law, effective July 1,
5 2011, the department shall reduce the maximum reimbursable
6 amounts of the contracts for the Preschool Education Program, the
7 General Child Care Program, the Migrant Day Care Program, the
8 Alternative Payment Program, the CalWORKs Stage 3 Program,
9 and the Allowance for Handicapped Program by 11 percent or by
10 whatever proportion is necessary to ensure that expenditures for
11 these programs do not exceed the amounts appropriated for them,
12 including any reductions made subsequent to the adoption of the
13 annual Budget Act. The department may consider the contractor's
14 performance or whether the contractor serves children in an
15 underserved area, as defined in subdivision (ah) of Section 8208,
16 when determining contract reductions, provided that the aggregate
17 reduction to each program specified in this subdivision is 11
18 percent or by whatever proportion is necessary to ensure that
19 expenditures for these programs do not exceed the amounts
20 appropriated for them, including any reductions made subsequent
21 to the adoption of the annual Budget Act.

22 (b) Notwithstanding any other law, effective July 1, 2011,
23 families shall be disenrolled from subsidized services, consistent
24 with the priorities for services specified in subdivision (b) of
25 Section 8263. Families shall be disenrolled in the following order:

26 (1) Families whose income exceeds 70 percent of the state
27 median income (SMI) adjusted for family size, except for families
28 whose children are receiving child protective services or are at
29 risk of being neglected or abused.

30 (2) Families with the highest income below 70 percent of the
31 SMI, in relation to family size.

32 (3) Families that have the same income and have been enrolled
33 in services the longest.

34 (4) Families that have the same income and have a child with
35 exceptional needs.

36 (5) Families whose children are receiving child protective
37 services or are at risk of being neglected or abused, regardless of
38 family income.

1 ~~SEC. 60.~~

2 *SEC. 61.* Section 8263.3 of the Education Code is amended to
3 read:

4 8263.3. (a) Notwithstanding any other law, and in addition to
5 any reductions applied pursuant to Section 8263.2, effective July
6 1, 2012, the department shall reduce the maximum reimbursable
7 amounts of the contracts for the General Child Care Program, the
8 Migrant Day Care Program, the Alternative Payment Program, the
9 CalWORKs Stage 3 Program, and the Allowance for Handicapped
10 Program by 8.7 percent or by whatever proportion is necessary to
11 ensure that expenditures for these programs do not exceed the
12 amounts appropriated for them, as adjusted for any reductions in
13 appropriations made subsequent to the adoption of the annual
14 Budget Act. The department may consider the contractor’s
15 performance or whether the contractor serves children in an
16 underserved area, as defined in subdivision (ah) of Section 8208,
17 when determining contract reductions, provided that the aggregate
18 reduction to each program specified in this subdivision is 8.7
19 percent or whatever proportion is necessary to ensure that
20 expenditures for these programs do not exceed the amounts
21 appropriated for them, as adjusted for any reductions in
22 appropriations made subsequent to the adoption of the annual
23 Budget Act.

24 (b) Notwithstanding any other law, effective July 1, 2012,
25 families shall be disenrolled from subsidized services, consistent
26 with the priorities for services specified in subdivision (b) of
27 Section 8263. Families shall be disenrolled in the following order:

- 28 (1) Families with the highest income in relation to family size.
- 29 (2) Families that have the same income and have been enrolled
30 in services the longest.
- 31 (3) Families that have the same income and have a child with
32 exceptional needs.
- 33 (4) Families whose children are receiving child protective
34 services or are at risk of being neglected or abused, regardless of
35 family income.

36 ~~SEC. 61.~~

37 *SEC. 62.* Section 8263.4 of the Education Code is amended to
38 read:

39 8263.4. (a) The preferred placement for children who are 11
40 or 12 years of age and who are otherwise eligible for subsidized

1 early learning and educational support services shall be in a before
2 or after school program.

3 (b) Children who are 11 or 12 years of age shall be eligible for
4 subsidized services only for the portion of care needed that is not
5 available in a before or after school program provided pursuant to
6 Article 22.5 (commencing with Section 8482) or Article 22.6
7 (commencing with Section 8484.7). Contractors shall provide each
8 family of an eligible 11 or 12 year old with the option of combining
9 care provided in a before or after school program with subsidized
10 care in another setting, for those hours within a day when the before
11 or after school program does not operate, in order to meet the needs
12 of the family.

13 (c) Children who are 11 or 12 years of age, who are eligible for
14 and who are receiving subsidized services, and for whom a before
15 or after school program is not available, shall continue to receive
16 subsidized services.

17 (d) A before or after school program shall be considered not
18 available when a parent certifies in writing, on a form provided
19 by the department that is translated into the parent's primary
20 language pursuant to Sections 7295.4 and 7296.2 of the
21 Government Code, the reason or reasons why the program would
22 not meet the needs of the family. The reasons why a before or after
23 school program shall be considered not available shall include,
24 but not be limited to, any of the following:

25 (1) The program does not provide services when needed during
26 the year, such as during the summer, school breaks, or intersession.

27 (2) The program does not provide services when needed during
28 the day, such as in the early morning, evening, or weekend hours.

29 (3) The program is too geographically distant from the child's
30 school of attendance.

31 (4) The program is too geographically distant from the parents'
32 residence.

33 (5) Use of the program would create substantial transportation
34 obstacles for the family.

35 (6) Any other reason that makes the use of before or after school
36 care inappropriate for the child or burdensome on the family.

37 (e) If an 11 or 12 year old child who is enrolled in a subsidized
38 early learning and educational support program becomes ineligible
39 for subsidized care under subdivision (b) and is disenrolled from
40 the before or after school program, or if the before or after school

1 program no longer meets the needs of the family, the child shall
2 be given priority to return to the subsidized early learning and
3 educational support services upon the parent's notification of the
4 contractor of the need for child care.

5 (f) This section does not apply to an 11 or 12 year old child with
6 a disability, including a child with exceptional needs who has an
7 individualized education program as required by the federal
8 Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400
9 et seq.), Section 504 of the federal Rehabilitation Act of 1973 (29
10 U.S.C. Sec. 794), or Part 30 (commencing with Section 56000) of
11 Division 4 of Title 2.

12 (g) The savings generated each contract year by the
13 implementation of the changes made to this section by Chapter 78
14 of the Statutes of 2005 shall remain with each alternative payment
15 program, early learning and educational support center, or other
16 contractor for the provision of services, except for care provided
17 by programs pursuant to Article 15.5 (commencing with Section
18 8350). Each contractor shall report annually to the department the
19 amount of savings resulting from this implementation, and the
20 department shall report annually to the Legislature the amount of
21 savings statewide resulting from that implementation.

22 ~~SEC. 62.~~

23 *SEC. 63.* Section 8264 of the Education Code is amended to
24 read:

25 8264. By July 1, 1981, and annually thereafter, the State
26 Department of Health Services shall provide a mechanism for the
27 delivery of health screening and followup services for children
28 enrolled in early learning and educational support programs for
29 whom there are no appropriate health services accessible by
30 referral.

31 ~~SEC. 63.~~

32 *SEC. 64.* Section 8264.5 of the Education Code is amended to
33 read:

34 8264.5. The Superintendent may waive or modify requirements
35 in order to enable direct classroom services programs to serve
36 combinations of eligible children in areas of low population. The
37 programs for which the Superintendent may grant waivers shall
38 include, but need not be limited to, California state preschool
39 full-day program services, services provided by the California
40 School Age Families Education Program (Article 7.1 (commencing

1 with Section 54740) of Chapter 9 of Part 29 of Division 4 of Title
2 2), infant and toddler services, migrant services, and general direct
3 classroom services programs.

4 ~~SEC. 64.~~

5 *SEC. 65.* Section 8264.6 of the Education Code is amended to
6 read:

7 8264.6. The Superintendent may provide outreach services and
8 technical assistance to new applicants or contracting agencies and
9 to those providing services during nontraditional times, in
10 underserved geographic areas, and for children with specific service
11 needs, including infants and toddlers under three years of age.

12 ~~SEC. 65.~~

13 *SEC. 66.* Section 8264.7 of the Education Code is amended to
14 read:

15 8264.7. (a) The Superintendent shall establish rules and
16 regulations for the staffing of all direct classroom services
17 programs under contract with the department.

18 (b) Priority shall be given by the department to the employment
19 of persons in direct classroom services programs with ethnic
20 backgrounds that are similar to those of the child for whom services
21 are provided.

22 (c) For purposes of staffing direct classroom services programs,
23 the role of a teacher in child supervision means direct supervision
24 of the children as well as supervision of aides and groups of
25 children.

26 (d) Family child care homes shall operate pursuant to adult/child
27 ratios prescribed in Chapter 7 (commencing with Section 86001)
28 of Division 6 of Title 22 of the California Code of Regulations.

29 (e) Approval by the Superintendent of any ongoing or new
30 programs seeking to operate under the ratios and standards
31 established by the Superintendent under this chapter shall be based
32 upon the following considerations:

33 (1) The type of facility in which care is being or is to be
34 provided.

35 (2) The ability of the Superintendent to implement a funding
36 source change.

37 (3) The proportion of nonsubsidized children enrolled or to be
38 enrolled by the agency.

39 (4) The most cost-effective ratios possible for the type of
40 services provided or to be provided by the agency.

1 (f) The Superintendent shall apply for waivers of federal
2 requirements as are necessary to carry out this section.

3 ~~SEC. 66.~~

4 *SEC. 67.* Section 8264.8 of the Education Code is repealed.

5 ~~SEC. 67.~~

6 *SEC. 68.* Section 8264.8 is added to the Education Code, to
7 read:

8 8264.8. (a) Early learning and educational support programs
9 shall maintain at least the following minimum ratios in all direct
10 classroom services except for family child care home education
11 networks operating pursuant to Article 8.5 (commencing with
12 Section 8245):

13 (1) Infants, birth to 18 months old—1:3 adult-to-child ratio,
14 1:18 teacher-to-child ratio.

15 (2) Toddlers, 18 months up to their third birthday—1:4
16 adult-to-child ratio, 1:16 teacher-to-child ratio.

17 (3) Preschool, at least 30 months to kindergarten eligibility—1:8
18 adult-to-child ratio, 1:24 teacher-to-child ratio.

19 (4) Schoolage, enrolled in kindergarten to their 13th
20 birthday—1:14 adult-to-child ratio, 1:28 teacher-to-child ratio.

21 (b) Compliance with the ratios established by subdivision (a)
22 shall be determined based on actual attendance.

23 ~~SEC. 68.~~

24 *SEC. 69.* Section 8265 of the Education Code is amended to
25 read:

26 8265. (a) The Superintendent shall implement a plan that
27 establishes reasonable standards and assigned reimbursement rates,
28 which vary with the length of the program year and the hours of
29 service.

30 (1) Parent fees shall be used to pay reasonable and necessary
31 costs for providing additional services.

32 (2) When establishing standards and assigned reimbursement
33 rates, the Superintendent shall confer with applicant agencies.

34 (3) The reimbursement system, including standards and rates,
35 shall be submitted to the Joint Legislative Budget Committee.

36 (4) The Superintendent may establish any regulations he or she
37 deems advisable concerning conditions of service and hours of
38 enrollment for children in the programs.

39 (b) The standard reimbursement rate shall be three thousand
40 five hundred twenty-three dollars (\$3,523) per unit of average

1 daily enrollment for a 250-day year, increased by the cost-of-living
2 adjustment granted by the Legislature beginning July 1, 1980.

3 (c) The plan shall require agencies having an assigned
4 reimbursement rate above the current year standard reimbursement
5 rate to reduce costs on an incremental basis to achieve the standard
6 reimbursement rate.

7 (d) The plan shall provide for adjusting reimbursement on a
8 case-by-case basis, in order to maintain service levels for agencies
9 currently at a rate less than the standard reimbursement rate.
10 Assigned reimbursement rates shall be increased only on the basis
11 of one or more of the following:

12 (1) Loss of program resources from other sources.

13 (2) Need of an agency to pay the same rates as those prevailing
14 in the local community.

15 (3) Increased costs directly attributable to new or different
16 regulations.

17 (4) Documented increased costs necessary to maintain the prior
18 year's level of service and ensure the continuation of threatened
19 programs. Agencies funded at the lowest rates shall be given first
20 priority for increases.

21 (e) The plan shall provide for expansion of early learning and
22 educational support programs at no more than the standard
23 reimbursement rate for that fiscal year.

24 (f) The Superintendent may reduce the percentage of reduction
25 for a public agency that satisfies any of the following:

26 (1) Serves more than 400 children.

27 (2) Has in effect a collective bargaining agreement.

28 (3) Has other extenuating circumstances that apply, as
29 determined by the Superintendent.

30 ~~SEC. 69.~~

31 *SEC. 70.* Section 8266 of the Education Code is amended to
32 read:

33 8266. (a) Notwithstanding Section 8265, the assigned
34 reimbursement rate of a direct classroom services program (1)
35 contracting with the department, (2) operating under licensing
36 standards for child care and development facilities specified by
37 Section 1500 et seq. of the Health and Safety Code and by Title
38 22 of the ~~California Code~~ *California Code* of Regulations, and (3)
39 with less than a majority of subsidized children enrolled in the

1 facility, shall be equivalent to the fee paid for the same service by
2 families of nonsubsidized children.

3 (b) It is not the intent of the Legislature to preclude an agency
4 with a contract with the department from adjusting the fees charged
5 to nonsubsidized children during the contract year. In no event
6 shall the assigned reimbursement rate exceed the standard
7 reimbursement rate established pursuant to Section 8265.

8 (c) An agency subject to this section shall provide
9 documentation to the department that subsidized children, as
10 necessary and appropriate, shall receive supportive services through
11 county welfare departments, resource and referral programs, or
12 other existing community resources, or all of them.

13 ~~SEC. 70.~~

14 *SEC. 71.* Section 8266.1 of the Education Code is amended to
15 read:

16 8266.1. Commencing with the 1995–96 fiscal year and each
17 fiscal year thereafter, for the purposes of this chapter,
18 reimbursement rates shall be adjusted by the following
19 reimbursement factors for direct classroom services programs with
20 a standard reimbursement rate, but shall not apply to the ~~Resource~~
21 ~~and Referral Programs~~ *resource and referral programs* set forth
22 in Article 2 (commencing with Section 8210), the ~~Alternative~~
23 ~~Payment Programs~~ *alternative payment programs* set forth in
24 Article 3 (commencing with Section 8220), the part-day California
25 state preschool programs set forth in Article 7 (commencing with
26 Section 8235), the schoolage community child care services
27 programs set forth in Article 22 (commencing with Section 8460),
28 or to the schoolage parent and infant development programs:

29 (a) For direct classroom services program providers serving
30 children for less than four hours per day, the reimbursement factor
31 is 55 percent of the standard reimbursement rate.

32 (b) For direct classroom services program providers serving
33 children for not less than four hours per day, and less than six and
34 one-half hours per day, the reimbursement factor is 75 percent of
35 the standard reimbursement rate. For providers operating under
36 the At Risk Child Care Program set forth in Article 15.5
37 (commencing with Section 8350) and serving children for not less
38 than four hours per day, and less than seven hours per day, the
39 reimbursement factor is 75 percent of the standard reimbursement
40 rate.

1 (c) For direct classroom services program providers serving
2 children for not less than six and one-half hours per day, and less
3 than 10 and one-half hours per day, the reimbursement factor is
4 100 percent of the standard reimbursement rate. For providers
5 operating under the At Risk Child Care Program set forth in Article
6 15.5 (commencing with Section 8350) and serving children for
7 not less than seven hours per day, and less than 10 hours per day,
8 the reimbursement factor is 100 percent of the standard
9 reimbursement rate.

10 (d) For direct classroom services program providers serving
11 children for 10½ hours or more per day, the reimbursement factor
12 is 118 percent of the standard reimbursement rate.

14 *SEC. 72.* Section 8272 of the Education Code is amended to
15 read:

16 8272. (a) The rules, regulations, and guidelines adopted by
17 the Superintendent pursuant to Sections 8261 and 8269 shall permit
18 reimbursement for interest paid by contractors on private sector
19 debt financing for the purchase, lease-purchase, repair, or
20 renovation of child care and development facilities owned or leased
21 by contractors providing early learning and educational support
22 services.

23 (b) The Superintendent shall adopt regulations requiring
24 contractors to demonstrate that the amount of interest paid in a
25 year on private sector debt financing for the purposes identified
26 in subdivision (a) does not exceed the value obtained by the state
27 in the use of the facilities during the year for the early learning
28 and educational support services program. The regulations shall
29 include, but not be limited to, the following methods of making
30 this demonstration:

31 (1) Amortization of a loan or lease-purchase contract on a
32 straight-line basis for the purchase price of a portable building,
33 including any transportation charges, installation charges, loan
34 fees, taxes, points or other fees associated with the purchase, over
35 a period of 15 years or more.

36 (2) Amortization of a loan or lease-purchase contract on a
37 straight-line basis for the purchase price of a permanent building
38 and real estate, including any loan fees, taxes, points or other fees
39 associated with the purchase, over a period of 15 years or more.

1 (3) Evidence acceptable to the Superintendent that loan
2 payments for the purchase of a portable building or permanent
3 building and real estate, including principal and interest, do not
4 exceed the fair market rental cost that the contractor would have
5 paid if the property was not purchased.

6 (c) Loans or lease-purchase agreements amortized over the
7 number of years designated in subdivision (b), but due in a fewer
8 number of years, shall not be disallowed because of the shorter
9 due date.

10 ~~SEC. 72.~~

11 *SEC. 73.* Section 8275 of the Education Code is amended to
12 read:

13 8275. (a) The Superintendent may reimburse approvable
14 startup costs of agencies or facilities in an amount not to exceed
15 15 percent of the expansion or increase of each agency's total
16 contract amount. Under no circumstances shall reimbursement for
17 startup costs result in an increase in the agency's total contract
18 amount. These funds shall be available for all of the following:

19 (1) The employment and orientation of necessary staff.

20 (2) The setting up of the program and facility.

21 (3) The finalization of rental agreements and the making of
22 necessary deposits.

23 (4) The purchase of a reasonable inventory of materials and
24 supplies.

25 (5) The purchase of an initial premium for insurance.

26 (b) Agencies shall submit claims for startup costs with their first
27 quarterly reports.

28 (c) The Legislature recognizes that allowances for startup costs
29 are necessary for the establishment and stability of new early
30 learning and educational support programs.

31 ~~SEC. 73.~~

32 *SEC. 74.* Section 8276.7 of the Education Code is amended to
33 read:

34 8276.7. Unless specifically exempted by the Legislature, the
35 administrative cost for all state-funded early learning and
36 educational support programs and all federal programs
37 administered by the state shall not exceed 15 percent of the funds
38 provided for those programs. Eighty-five percent of these funds
39 shall be used to provide direct services in accordance with rules

1 and regulations, or contractual funding terms and conditions
2 prescribed by the Superintendent.

3 ~~SEC. 74.~~

4 *SEC. 75.* Section 8277 of the Education Code is amended to
5 read:

6 8277. (a) The Superintendent shall establish regulations for
7 the allocation of capital outlay funds provided pursuant to Section
8 8277.1 to Section 8277.4, inclusive, to benefit children most
9 needing early learning and educational support programs. The first
10 priority for all capital outlay shall be given to facilities located in
11 geographic areas with no other available enrollment slots in
12 existing subsidized and nonsubsidized child care and development
13 facilities. This capital outlay funding shall be used solely for
14 purposes of renovation and repair of existing buildings.

15 (b) The Superintendent shall establish qualifications for
16 determining the eligibility of contracting agencies and day care
17 homes to apply for capital outlay funds.

18 ~~SEC. 75.~~

19 *SEC. 76.* Section 8277.8 of the Education Code is amended to
20 read:

21 8277.8. (a) In the event that a school district elects to
22 discontinue its contract for child development services, the facilities
23 owned by the school district and constructed through the provisions
24 of the local tax override for early learning and educational support
25 program purposes shall be made available to the local contractor
26 whose bid is accepted for continuation of the services.

27 (b) The rent for the facilities shall not exceed the prevailing
28 rental rate for such facilities.

29 ~~SEC. 76.~~

30 *SEC. 77.* Section 8278.3 of the Education Code is amended to
31 read:

32 8278.3. (a) (1) The Child Care Facilities Revolving Fund is
33 hereby established in the State Treasury to provide funding for the
34 renovation, repair, or improvement of an existing building to make
35 the building suitable for licensure for early learning and educational
36 support services and for the purchase of new relocatable child care
37 facilities for lease to school districts and contracting agencies that
38 provide early learning and educational support services pursuant
39 to this chapter. The Superintendent may transfer state funds
40 appropriated for child care facilities into this fund for allocation

1 to school districts and contracting agencies, as specified, for the
2 purchase, transportation, and installation of facilities for
3 replacement and expansion of capacity. School districts and
4 contracting agencies using facilities made available by the use of
5 these funds shall be charged a leasing fee, either at a fair market
6 value for those facilities or at an amount sufficient to amortize the
7 cost of purchase and relocation, whichever amount is lower, over
8 a 10-year period. Upon full repayment of the purchase and
9 relocation costs, title shall transfer from the State of California to
10 the school district or contracting agency. The Superintendent shall
11 deposit all revenue derived from the lease payments into the Child
12 Care Facilities Revolving Fund.

13 (2) Notwithstanding Section 13340 of the Government Code,
14 all moneys in the fund, including moneys deposited from lease
15 payments, are continuously appropriated, without regard to fiscal
16 years, to the Superintendent for expenditure pursuant to this article.

17 (b) On or before August 1 of each fiscal year, the Superintendent
18 shall submit to the Department of Finance and the Legislative
19 Analyst's Office a report detailing the number of funding requests
20 received and their purpose, the types of agencies that received
21 funding from the Child Care Facilities Revolving Fund, the
22 increased capacity that these facilities generated, a description of
23 the manner in which the facilities are being used, and a projection
24 of the lease payments collected and the funds available for future
25 use.

26 (c) A school district or county office of education that provides
27 child care pursuant to the California School Age Families
28 Education Program (Article 7.1 (commencing with Section 54740)
29 of Chapter 9 of Part 29 of Division 4 of Title 2) is eligible to apply
30 for and receive funding pursuant to this section.

31 ~~SEC. 77.~~

32 *SEC. 78.* Section 8279.1 of the Education Code is amended to
33 read:

34 8279.1. (a) The Legislature recognizes that early learning and
35 educational support programs have made valuable contributions
36 towards ensuring that public assistance recipients will be able to
37 accept and maintain employment or employment-related training.
38 Therefore, it is the intent of the Legislature that the Superintendent
39 ensure that counties comply with the requirements of Section 8279.

1 (b) The Superintendent shall ensure each county’s compliance
2 with Section 8279 by not issuing funds to a local contractor within
3 a county until the Superintendent has received written certification
4 from that county that the level of expenditure for services provided
5 by the county has been maintained at the 1970–71 fiscal year level
6 pursuant to Section 8279. Funding provided by a county to a local
7 contractor shall not adversely affect the reimbursement received
8 by the agency from the Superintendent pursuant to Section 8265,
9 8265.5, or 8266.

10 ~~SEC. 78.~~

11 *SEC. 79.* Section 8279.3 of the Education Code is amended to
12 read:

13 8279.3. (a) The department shall disburse augmentations to
14 the base allocation for the expansion of early learning and
15 educational support programs to promote equal access to these
16 services across the state.

17 (b) The Superintendent shall use the formula developed pursuant
18 to subdivision (c) and the priorities identified by local planning
19 councils, unless those priorities do not meet the requirements of
20 state or federal law, as a guide in disbursing augmentations
21 pursuant to subdivision (a).

22 (c) The Superintendent shall develop a formula for prioritizing
23 the disbursement of augmentations pursuant to this section. The
24 formula shall give priority to allocating funds to underserved areas.
25 The Superintendent shall develop the formula by using the
26 definition of “underserved area” in subdivision (ah) of Section
27 8208 and direct impact indicators of need for early learning and
28 educational support services in the county or subcounty areas. For
29 purposes of this section, “subcounty areas” include, but are not
30 limited to, school districts, census tracts, or ZIP Code areas that
31 are deemed by the Superintendent to be most appropriate to the
32 type of program receiving an augmentation. Direct impact
33 indicators of need may include, but are not limited to, the teenage
34 pregnancy rate, the unemployment rate, area household income,
35 or the number or percentage of families receiving public assistance,
36 eligible for Medi-Cal, or eligible for free or reduced-price school
37 meals, and any unique characteristics of the population served by
38 the type of program receiving an augmentation.

39 (d) To promote equal access to services, the Superintendent
40 shall include in guidelines developed for use by local planning

1 councils pursuant to subdivision (d) of Section 8499.5 guidance
 2 on identifying underserved areas and populations within counties.
 3 This guidance shall include reference to the direct impact indicators
 4 of need described in subdivision (c).

5 ~~SEC. 79.~~

6 *SEC. 80.* Section 8279.4 of the Education Code is amended to
 7 read:

8 8279.4. The Legislature finds and declares the following:

9 (a) There is a serious shortage of quality child day care facilities
 10 throughout the state.

11 (b) It is in the interest of the state’s children and families, and
 12 the state’s economic growth, to encourage the expansion of existing
 13 child day care facilities by assisting communities and interested
 14 government and private entities to finance child day care facilities.

15 (c) In addition to regional resource centers described in
 16 Provision 7(d) of Item 6110-196-0001 of the Budget Act of 1999,
 17 which focus on developing care capacity in underserved areas of
 18 the state, there is a need to access capital for facilities on a
 19 systematic basis, especially to use limited public sector funds to
 20 leverage a greater private sector role in financing child day care
 21 facilities. The Legislature finds and declares that a financial
 22 intermediary could fill this role and support the regional resource
 23 centers and other local entities that work with potential providers
 24 by functioning as a centralized repository of training, best practices,
 25 and expertise on facilities financing.

26 ~~SEC. 80.~~

27 *SEC. 81.* Section 8279.5 of the Education Code is amended to
 28 read:

29 8279.5. (a) The Superintendent shall contract with a nonprofit
 30 organization to serve as a financial intermediary. The nonprofit
 31 organization shall have staff who have expertise in financing and
 32 capital expansion, are knowledgeable about the early learning and
 33 educational support field, and have the ability to develop and
 34 implement a plan to increase the availability of financing to
 35 renovate, expand, and construct child day care facilities, both in
 36 centers and family child care homes.

37 (b) The financial intermediary selected by the Superintendent
 38 shall undertake activities designed to increase funds available from
 39 the private and public sectors for the financing of child day care

1 facilities. These activities shall include, but are not limited to, all
2 of the following:

3 (1) Soliciting capital grants and program-related investments
4 from foundations and corporations.

5 (2) Building partnerships with foundations and corporations.

6 (3) Developing lending commitments, linked deposits, and other
7 financing programs with conventional financial institutions.

8 (4) Coordinating private sources of capital with existing public
9 sector sources of financing for child day care facilities, including,
10 but not limited to, the Department of Housing and Community
11 Development and the California Infrastructure and Economic
12 Development Bank.

13 (5) Coordinating financing efforts with the technical assistance
14 provided by the regional resource centers described in Provision
15 7(d) of Item 6110-196-0001 of the Budget Act of 1999, and other
16 local entities that work with potential providers.

17 (c) This section shall only be implemented to the extent that
18 funds are appropriated for this purpose in the annual Budget Act.

19 ~~SEC. 81.~~

20 *SEC. 82.* Section 8279.7 of the Education Code is amended to
21 read:

22 8279.7. (a) The Legislature recognizes the importance of
23 providing high-quality early learning and educational support
24 services. It is, therefore, the intent of the Legislature to assist
25 counties in improving the retention and professional growth of
26 qualified instructional employees who work directly with children
27 who receive state-subsidized early learning and educational support
28 services.

29 (b) It is further the intent of the Legislature, in amending this
30 section during the 2009–10 Regular Session, to address the unique
31 challenges of the County of Los Angeles, in which an estimated
32 60,000 low-income children receive subsidized care in
33 nonstate-funded child care settings and an additional 50,000
34 eligible children are waiting for subsidized services.

35 (c) (1) Except as provided in paragraph (2), the funds
36 appropriated for the purposes of this section by paragraph (11) of
37 Schedule (b) of Item 6110-196-0001 of Section 2.00 of the Budget
38 Act of 2000 (Chapter 52 of the Statutes of 2000), and that are
39 described in subdivision (i) of Provision 7 of that item, and any
40 other funds appropriated for purposes of this section, shall be

1 allocated to local planning councils based on the percentage of
2 state-subsidized, direct classroom services funds received in that
3 county, and shall be used to address the retention of qualified
4 instructional employees in state-subsidized centers.

5 (2) Of the funds identified in paragraph (1), funds qualified
6 pursuant to subparagraphs (A) to (C), inclusive, may also be used
7 to address the retention and professional growth of qualified
8 persons working in licensed early learning and educational support
9 programs and that serve a majority of children who receive
10 subsidized direct classroom services pursuant to this chapter,
11 including, but not limited to, family day care homes as defined in
12 Section 1596.78 of the Health and Safety Code. To qualify for use
13 pursuant to this paragraph, the funds shall meet all of the following
14 requirements:

15 (A) The funds are allocated for use in the County of Los
16 Angeles.

17 (B) The funds are appropriated in the annual Budget Act.

18 (C) The funds are unexpended after addressing the retention of
19 qualified employees in state-subsidized centers and family child
20 care home education networks.

21 (d) The department shall develop guidelines for use by local
22 planning councils in developing county plans for the expenditure
23 of funds allocated pursuant to this section. These guidelines shall
24 be consistent with the department's assessment of the current needs
25 of the subsidized workforce, and shall be subject to the approval
26 of the Department of Finance. Any county plan developed pursuant
27 to these guidelines shall be approved by the department before the
28 allocation of funds to the local planning council.

29 (e) Funds provided to a county for the purposes of this section
30 shall be used in accordance with the plan approved pursuant to
31 subdivision (d). A county with an approved plan may retain up to
32 1 percent of the county's total allocation made pursuant to this
33 section for reimbursement of administrative expenses associated
34 with the planning process.

35 (f) The Superintendent shall provide an annual report, no later
36 than April 10 of each year, to the Legislature, the Department of
37 Finance, and the Governor that includes, but is not limited to, a
38 summary of the distribution of the funds by county and a
39 description of the use of the funds.

1 ~~SEC. 82.~~

2 *SEC. 83.* Section 8282 of the Education Code is amended to
3 read:

4 8282. (a) The Legislature finds and declares that the state
5 makes a substantial, annual investment in preschool, infant and
6 toddler, and schoolage early learning and educational support
7 programs for eligible families. It is in the best interests of children
8 and their families, and the taxpayers of California, to have
9 information about the development and learning abilities of
10 children developed in these settings, health and other information
11 transferred to, or otherwise available to, the pupil's elementary
12 school.

13 (b) When a child in a state-funded preschool or infant and
14 toddler program will be transferring to a local public school, the
15 preschool or infant and toddler program shall provide the parent
16 or guardian with information from the previous year deemed
17 beneficial to the pupil and the public school teacher, including,
18 but not limited to, development issues, social interaction abilities,
19 health background, and diagnostic assessments, if any. The
20 preschool or infant and toddler program may, with the permission
21 of the parent or guardian, transfer this information to the pupil's
22 elementary school.

23 (c) Any child who has participated in a state subsidized
24 California state preschool program that maintains results-based
25 standards, including the desired results accountability system, may
26 have the performance information transferred to any subsequent
27 or concurrent public school setting. Any transferred information
28 shall be in summary form and only accomplished with the
29 permission of the parent or guardian.

31 *SEC. 84.* Section 8320 of the Education Code is amended to
32 read:

33 8320. The governing board of any school district or a county
34 superintendent of schools with the approval of the county board
35 of education is authorized to establish and maintain early learning
36 and educational support programs upon the approval of, and subject
37 to the regulations of the Superintendent.

3 Superintendent, shall have the authority to establish and maintain
4 direct classroom services programs in the same manner and to the
5 same extent as governing boards of school or community college
6 districts, except that nothing in this section shall be construed as
7 vesting in the county superintendents of schools any authority to
8 alone effect the levy and collection of any county, school, or other
9 local taxes for the support of any direct classroom services
10 programs.

11 (b) The establishment and maintenance of any direct classroom
12 services program by the county superintendent of schools shall be
13 undertaken, subject to the prior approval of both the county board
14 of education and the Superintendent, upon the application of one
15 or more school districts under his or her jurisdiction.

16 ~~SEC. 85.~~

17 *SEC. 86.* Section 8324 of the Education Code is amended to
18 read:

19 8324. The employees of school districts or community college
20 districts, or county superintendents of schools in direct classroom
21 services programs under this division shall have the same rights
22 and privileges as are granted to employees of the same agencies
23 in children's centers.

24 ~~SEC. 86.~~

25 *SEC. 87.* Section 8327 of the Education Code is amended to
26 read:

27 8327. Notwithstanding any other provision of this chapter, the
28 governing board of a school district or community college district,
29 county superintendent of schools, or other unit of local general
30 purpose government may enter into agreements with any city, city
31 and county, or other public agency, or with a private foundation,
32 nonprofit corporation, or proprietary agency for the furnishing to,
33 or use by, the governing board, county superintendent of schools,
34 or other unit of local general purpose government in carrying out
35 the provisions of this chapter, of property, facilities, personnel,
36 supplies, equipment and other necessary items and such city,
37 county, city and county, other public agency, or private foundation
38 or nonprofit corporation, is authorized to enter into the agreements.

1 ~~SEC. 87.~~

2 *SEC. 88.* Section 8328 of the Education Code is amended to
3 read:

4 8328. (a) The governing board of any school district or the
5 county superintendent of schools shall establish in the county
6 treasury a fund to be known as the “child development fund” into
7 which shall be paid all funds received by the district or the county
8 for, or from the operation of, early learning and educational support
9 services under this chapter. The costs incurred in the maintenance
10 and operation of services shall be paid from the fund, with
11 accounting to reflect specific funding sources.

12 (b) Funds of a district derived from the receipt of district taxes
13 or derived from moneys apportioned to the district for the support
14 of schools of the district, in addition to state moneys appropriated
15 for the support of services, fees, and federal funds, may be

22 its budget the amount necessary to initiate, operate, and maintain
23 a program pursuant to this chapter and the board of supervisors
24 shall levy a school district tax necessary to raise that amount. The
25 tax shall be in addition to any other school district tax authorized
26 by law to be levied.

32 Article 15.2. Subsidy Plan for the City and County of San
33 Francisco
34

35 ~~SEC. 90.~~

36 *SEC. 91.* Section 8335.1 of the Education Code is amended to
37 read:

38 8335.1. Before implementing the local subsidy plan, the City
39 and County of San Francisco, in consultation with the department,

1 shall develop an individualized county subsidy plan for the city
2 and county that includes the following four elements:

3 (a) An assessment to identify the city and county's goal for its
4 subsidized care system. The assessment shall examine whether
5 the current structure of subsidized care funding adequately supports
6 working families in the city and county and whether the city and
7 county's goals coincide with the state's requirements for funding,
8 eligibility, priority, and reimbursement. The assessment shall also
9 identify barriers in the state's subsidy system that inhibit the city
10 and county from meeting its goals. In conducting the assessment,
11 the city and county shall consider all of the following:

12 (1) The general demographics of families who are in need of
13 care, including employment, income, language, ethnic, and family
14 composition.

15 (2) The current supply of available subsidized care.

16 (3) The level of need for various types of subsidized services
17 including, but not limited to, infant care, after-hours care, and care
18 for children with exceptional needs.

19 (4) The city and county's self-sufficiency income level.

20 (5) Income eligibility levels for subsidized care.

21 (6) Family fees.

22 (7) The cost of providing care.

23 (8) The regional market rates, as established by the department,
24 for different types of care.

25 (9) The standard reimbursement rate or state per diem for centers
26 operating under contracts with the department.

27 (10) Trends in the county's unemployment rate and housing
28 affordability index.

29 (b) Development of a local policy to eliminate state-imposed
30 regulatory barriers to the city and county's achievement of its
31 desired outcomes for subsidized care.

32 (1) The local policy shall do all of the following:

33 (A) Prioritize lowest income families first.

34 (B) Follow the family fee schedule established pursuant to
35 subdivision (f) of Section 8263 for those families that are income
36 eligible, as defined by Section 8263.1.

37 (C) Meet local goals that are consistent with the state's goals.

38 (D) Identify existing policies that would be affected by the city
39 and county's subsidy plan.

1 (E) (i) Authorize any agency that provides early learning and
2 educational support services in the city and county through a
3 contract with the department to apply to the department to amend
4 existing contracts in order to benefit from the local policy once it
5 is adopted.

6 (ii) The department shall approve an application to amend an
7 existing contract if the subsidy plan is approved pursuant to
8 subdivision (b) of Section 8335.3, or modified pursuant to
9 subdivision (c) of Section 8335.3.

10 (iii) The contract of a department contractor who does not elect
11 to request an amendment to its contract remains operative and
12 enforceable.

13 (2) (A) The city and county shall, by the end of the first fiscal
14 year of operation under the approved subsidy plan, demonstrate
15 an increase in the aggregate child days of enrollment in the county
16 as compared to the enrollment in the final quarter of the 2004-05
17 fiscal year.

18 (B) The amount of the increase shall be at least equal to the
19 aggregate child days of enrollment in the final quarter of the
20 2004-05 fiscal year for all contracts amended as provided in
21 subparagraph (E) of paragraph (1), under which the contractor
22 receives an increase in its reimbursement rate, times 2 percent.

23 (3) The local policy may supersede state law concerning subsidy
24 programs with regard only to the following factors:

25 (A) Eligibility criteria including, but not limited to, age, family
26 size, time limits, income level, inclusion of former and current
27 CalWORKs participants, and special needs considerations, except
28 that the local policy may not deny or reduce eligibility of a family
29 that qualifies for care pursuant to Section 8353. Under the local
30 policy, a family that qualifies for care pursuant to Section 8354
31 shall be treated for purposes of eligibility and fees in the same
32 manner as a family that qualifies for subsidized care on another
33 basis pursuant to the local policy.

34 (B) Fees including, but not limited to, family fees, sliding scale
35 fees, and copayments for those families that are not income eligible,
36 as defined by Section 8263.1.

37 (C) Reimbursement rates.

38 (D) Methods of maximizing the efficient use of subsidy funds,
39 including, but not limited to, multiyear contracting with the
40 department for direct classroom services, and interagency

1 agreements that allow for flexible and temporary transfer of funds
2 among agencies.

3 (c) Recognition that all funding sources utilized by direct service
4 contractors that provide early learning and educational support
5 services in the city and county are eligible to be included in the
6 subsidy plan of the city and county.

7 (d) Establishment of measurable outcomes to evaluate the
8 success of the plan to achieve the city and county’s goals and to
9 overcome any barriers identified in the state’s subsidy system. The
10 State Department of Social Services shall have an opportunity to
11 review and comment on the proposed measurable outcomes before
12 they are submitted to the local planning council for approval
13 pursuant to Section 8335.3.

18 an individualized subsidy plan until July 1, 2014, at which date
19 the city and county shall terminate the plan. Between July 1, 2014,
20 and July 1, 2016, the city and county shall phase out the
21 individualized county subsidy plan and, as of July 1, 2016, shall
22 implement the state’s requirements for subsidies. A child enrolling
23 for the first time for subsidized care in the city and county after
24 July 1, 2014, shall not be enrolled in the pilot program established
25 pursuant to this article and is subject to existing state laws and
26 regulations regarding eligibility and priority.

28 *SEC. 93.* The heading of Article 15.3 (commencing with
29 Section 8340) of Chapter 2 of Part 6 of Division 1 of Title 1 of the

33
34 ~~SEC. 93.~~

35 *SEC. 94.* Section 8341 of the Education Code is amended to
36 read:

37 8341. Before implementing the local subsidy plan, the County
38 of San Mateo, in consultation with the department, shall develop
39 an individualized county subsidy plan that includes the following
40 four elements:

1 (a) An assessment to identify the county’s goal for its subsidized
2 care system. The assessment shall examine whether the current
3 structure of subsidized care funding adequately supports working
4 families in the county and whether the county’s goals coincide
5 with the state’s requirements for funding, eligibility, priority, and
6 reimbursement. The assessment shall also identify barriers in the
7 state’s subsidy system that inhibit the county from meeting its
8 goals. In conducting the assessment, the county shall consider all
9 of the following:

10 (1) The general demographics of families who are in need of
11 care, including employment, income, language, ethnic, and family
12 composition.

13 (2) The current supply of available subsidized care.

14 (3) The level of need for various types of subsidized services
15 including, but not limited to, infant care, after-hours care, and care
16 for children with exceptional needs.

17 (4) The county’s self-sufficiency income level.

18 (5) Income eligibility levels for subsidized care.

19 (6) Family fees.

20 (7) The cost of providing care.

21 (8) The regional market rates, as established by the department,
22 for different types of care.

23 (9) The standard reimbursement rate or state per diem for centers
24 operating under contracts with the department.

25 (10) Trends in the county’s unemployment rate and housing
26 affordability index.

27 (b) Development of a local policy to eliminate state-imposed
28 regulatory barriers to the county’s achievement of its desired
29 outcomes for subsidized care.

30 (1) The local policy shall do all of the following:

31 (A) Prioritize lowest income families first.

32 (B) Follow the family fee schedule established pursuant to
33 subdivision (f) of Section 8263 for those families that are income
34 eligible, as defined by Section 8263.1.

35 (C) Meet local goals that are consistent with the state’s goals.

36 (D) Identify existing policies that would be affected by the
37 county’s subsidy plan.

38 (E) (i) Authorize any agency that provides early learning and
39 educational support services in San Mateo County through a
40 contract with the department to apply to the department to amend

1 existing contracts in order to benefit from the local policy once it
2 is adopted.

3 (ii) The department shall approve an application to amend an
4 existing contract if the subsidy plan is approved pursuant to
5 subdivision (b) of Section 8342, or modified pursuant to
6 subdivision (c) of Section 8342.

7 (iii) The contract of a department contractor who does not elect
8 to request an amendment to its contract remains operative and
9 enforceable.

10 (2) (A) The County of San Mateo shall, by the end of the first
11 fiscal year of operation under the approved subsidy plan,
12 demonstrate an increase in the aggregate child days of enrollment
13 in the county as compared to the enrollment in the final quarter of
14 the 2002–03 fiscal year.

15 (B) The amount of the increase shall be at least equal to the
16 aggregate child days of enrollment in the final quarter of the
17 2002–03 fiscal year for all contracts amended as provided in
18 subparagraph (E) of paragraph 1, under which the contractor
19 receives an increase in its reimbursement rate, times 2 percent.

20 (3) The local policy may supersede state law concerning subsidy
21 programs with regard only to the following factors:

22 (A) Eligibility criteria including, but not limited to, age, family
23 size, time limits, income level, inclusion of former and current
24 CalWORKs participants, and special needs considerations, except
25 that the local policy may not deny or reduce eligibility of a family
26 that qualifies for care pursuant to Section 8353. Under the local
27 policy, a family that qualifies for care pursuant to Section 8354
28 shall be treated for purposes of eligibility and fees in the same
29 manner as a family that qualifies for subsidized care on another
30 basis pursuant to the local policy.

31 (B) Fees including, but not limited to, family fees, sliding scale
32 fees, and copayments for those families that are not income eligible,
33 as defined by Section 8263.1.

34 (C) Reimbursement rates.

35 (D) Methods of maximizing the efficient use of subsidy funds,
36 including, but not limited to, multiyear contracting with the
37 department for direct classroom services, and interagency
38 agreements that allow for flexible and temporary transfer of funds
39 among agencies.

1 (c) Recognition that all funding sources utilized by direct service
2 contractors that provide early learning and educational support
3 services in San Mateo County are eligible to be included in the
4 subsidy plan of the county.

5 (d) Establishment of measurable outcomes to evaluate the
6 success of the plan to achieve the county's goals and to overcome
7 any barriers identified in the state's subsidy system. The *State*
8 Department of Social Services shall have an opportunity to review
9 and comment on the proposed measurable outcomes before they
10 are submitted to the local planning council for approval pursuant
11 to Section 8342.

12 ~~SEC. 94.~~

13 *SEC. 95.* Section 8341.5 of the Education Code is amended to
14 read:

15 8341.5. To ensure that the annual and final reports required
16 pursuant to Section 8343 provide useful comparative information,
17 the Legislative Analyst and the Senate Office of Research shall
18 review the evaluation design, the baseline data, and the data
19 collection proposed in the subsidy plan of the county before the
20 plan is submitted to the local planning council for approval.

21 ~~SEC. 95.~~

22 *SEC. 96.* Section 8342 of the Education Code is amended to
23 read:

24 8342. (a) The plan shall be submitted to the local planning
25 council for approval. Upon approval of the plan by the local
26 planning council, the county board of supervisors shall hold at
27 least one public hearing on the plan. Following the hearing, if the
28 county board of supervisors votes in favor of the plan, the plan
29 shall be submitted to the Child Development Division of the
30 department for review.

31 (b) Within 30 days of receiving the plan, the Child Development
32 Division shall review and either approve or disapprove the plan.

33 (c) Within 30 days of receiving any modification to the plan,
34 the Child Development Division shall review and either approve
35 or disapprove that modification to the plan.

36 (d) The Child Development Division may disapprove only those
37 portions of the plan or modifications to the plan that are not in
38 conformance with this article or that are in conflict with federal
39 law.

1 ~~SEC. 96.~~

2 ~~SEC. 97.~~ Section 8343 of the Education Code is amended to
3 read:

4 8343. (a) Upon approval of the plan by the Child Development
5 Division, the County of San Mateo shall annually prepare and
6 submit to the Legislature, the *State* Department of Social Services,
7 and the department a report that summarizes the success of the
8 pilot project and the county's ability to maximize the use of funds
9 and to improve and stabilize care in the county.

10 (b) On or before December 31, 2008, the County of San Mateo
11 shall submit a final report to the Legislature, the *State* Department
12 of Social Services, and the department summarizing the impact of
13 the plan on the care needs of working families.

14 ~~SEC. 97.~~

15 ~~SEC. 98.~~ Section 8344 of the Education Code is amended to
16 read:

17 8344. The County of San Mateo may implement its
18 individualized county subsidy plan until January 1, 2014, at which
19 date the County of San Mateo shall terminate the plan. Between
20 January 1, 2014, and January 1, 2016, the County of San Mateo
21 shall phase out the individualized county subsidy plan and, as of
22 January 1, 2016, shall implement the state's requirements for
23 subsidies. A child enrolling for the first time for subsidized care
24 in San Mateo County after January 1, 2014, shall not be enrolled
25 in the pilot program established pursuant to this article and is
26 subject to existing state laws and regulations regarding care
27 eligibility and priority.

29 ~~SEC. 99.~~ The heading of Article 15.5 (commencing with
30 Section 8350) of Chapter 2 of Part 6 of Division 1 of Title 1 of the

32

33 Article 15.5. Recipients of the CalWORKs Program

34

35 ~~SEC. 99.~~

36 ~~SEC. 100.~~ Section 8350 of the Education Code is amended to
37 read:

38 8350. (a) It is the intent of the Legislature in enacting this
39 article to ensure that recipients of aid under Chapter 2 (commencing
40 with Section 11200) of Part 3 of Division 9 of the Welfare and

1 Institutions Code, or any successor program, and former recipients
2 who have left aid for employment, are connected as soon as
3 possible to local resources, make stable arrangements for services,
4 and continue to receive subsidized services after they no longer
5 receive aid as long as they require those services and meet the
6 eligibility requirements set forth in Sections 8263 and 8263.1.

7 (b) This article establishes three stages of child care services
8 through which a recipient of aid under Chapter 2 (commencing
9 with Section 11200) of Part 3 of Division 9 of the Welfare and
10 Institutions Code, or any successor program, will pass. Further, as
11 families' needs are met by county welfare departments and later
12 by other local early learning and educational support contractors,
13 it is the intent of the Legislature that families experience no break
14 in their services due to a transition between the three stages of
15 child care services.

16 ~~SEC. 100.~~

17 *SEC. 101.* Section 8352 of the Education Code is amended to
18 read:

19 8352. (a) As soon as appropriate, a county welfare department
20 shall refer families needing services to the local resource and
21 referral program funded pursuant to Article 2 (commencing with
22 Section 8210). Resource and referral program staff shall colocate
23 with a county welfare department's case management ~~offices~~ *office*
24 for aid under Chapter 2 (commencing with Section 11200) of Part
25 3 of Division 9 of the Welfare and Institutions Code, or any
26 successor program, or arrange other means of swift communication
27 with parents and case managers of this aid. The local resource and
28 referral program shall assist families to establish stable
29 arrangements as soon as possible. These arrangements may include
30 licensed and license-exempt care.

31 ~~(b) The resource and referral agencies in the county shall provide~~
32 ~~information regarding high-quality early learning and educational~~
33 ~~support options pursuant to subdivision (b) of Section 8214 to~~
34 ~~alternative payment programs in the county to offer support~~
35 ~~services pursuant to Section 8220.5, and if available, provide~~
36 ~~information on quality rating and improvement systems.~~

37 ~~(c) The department shall make informational resources available~~
38 ~~to both resource and referral and alternative payment programs~~
39 ~~pursuant to subdivision (c) of Section 8214.~~

1 (b) Information shall be provided to parents in the county of
2 service at the time the family is determined eligible for services,
3 and at recertification, by one of the following:

4 (1) An alternative payment program.

5 (2) A resource and referral program.

6 (3) A partnership between the alternative payment program and
7 the resource and referral program.

8 (c) The information provided by the program or partnership
9 shall be to assist parents in making informed choices about
10 available types of care that would both offer a safe, caring, and
11 age-appropriate early learning and educational support
12 environment for children, as well as support the parents' work
13 activities, including, but not limited to, information about
14 high-quality early learning and educational support options and
15 resources specified in this subdivision. The program or partnership
16 may utilize resources from a certified list posted on the
17 department's Internet Web site pursuant to subdivision (b) of
18 Section 8203, or may develop local resources that shall include,
19 but are not limited to, the following:

20 (1) Information regarding how to select services that meet the
21 needs of the parent and child.

22 (2) Information on licensing requirements and procedures for
23 centers and family homes.

24 (3) Trustline requirements for homes and providers exempt from
25 licensure.

26 (4) A range of possible early learning and educational support
27 options from which a parent may choose.

28 (5) Information on available care subsidies and eligibility
29 requirements.

30 (6) Quality indicators, including provider or educator training,
31 accreditation, staff stability, group size, ratio of children to staff,
32 environments that support the healthy development of children,
33 parent involvement, and communication between the parent and
34 provider.

35 (7) Information on quality rating and improvement systems,
36 where available.

37 (d) The program or partnership shall also provide parenting
38 information to parents.

39 (e)

1 (e) A program operating pursuant to this article shall, within
2 two business days of being notified of a revocation or a temporary
3 suspension order for a licensed child day care facility, do both of
4 the following:

- 5 (1) Terminate payment to the facility.
- 6 (2) Notify each parent and the facility in writing that payment
7 has been terminated and the reason for the termination.

8 (e)
9 (f) A program operating pursuant to this article shall, upon being
10 notified that a licensed child care facility has been placed on
11 probation, provide written notice to each parent utilizing the facility
12 that the facility has been placed on probation and that the parent
13 has the option of selecting a different provider or remaining with
14 the facility without risk of subsidy payments to the provider being
15 terminated. The Legislature urges each agency operating pursuant
16 to this section to provide the written notice required by this
17 subdivision in the primary language of the parent, to the extent
18 feasible.

19 ~~SEC. 101.~~

20 *SEC. 102.* Section 8353 of the Education Code is amended to
21 read:

22 8353. (a) The second stage of child care begins when the
23 county determines that the recipient's work or approved work
24 activity is stable or when a recipient is transitioning off of aid and
25 care is available through a local stage two program. Second stage
26 child care may be provided to a family who elects to receive a
27 lump-sum diversion payment or diversion services under Section
28 11266.5 of the Welfare and Institutions Code when a funded space
29 is not immediately available for the family in third stage. The local
30 stage two agency shall assist in moving families to stage three as
31 quickly as feasible. Former CalWORKs recipients are eligible to
32 receive services in stage one and stage two for up to a total of no
33 more than 24 months after they leave cash aid, or until they are
34 otherwise ineligible within that 24-month period. Family size and
35 income for purposes of determining eligibility and calculating the
36 family fee shall be determined pursuant to Sections 8263 and
37 8263.1. A family leaving cash aid under the CalWORKS program
38 shall receive up to two years of care, if otherwise eligible, as
39 needed to continue the family's employment. The provision of the

1 two-year time limit is not intended to limit eligibility for care under
2 Section 8354.

3 (b) The second stage shall be administered by agencies
4 contracting with the department. These contractors may be either
5 agencies that have an alternative payment contract pursuant to
6 Section 8220.1 or county welfare departments that choose to
7 administer this stage in order to continue to provide services for
8 recipients or former recipients of aid. If the county chooses to
9 contract with the department to provide alternative payment
10 services, this contract shall not displace, or result in the reduction
11 of an existing contract of, a current alternative payment program.

12 ~~SEC. 102.~~

13 *SEC. 103.* Section 8354 of the Education Code is amended to
14 read:

15 8354. (a) The third stage of child care begins when a funded
16 space is available. CalWORKs recipients are eligible for the third
17 stage of child care. Persons who received a lump-sum diversion
18 payment or diversion services and former CalWORKs participants
19 are eligible if they have an income that does not exceed 70 percent
20 of the state median income pursuant to Section 8263.1. The third
21 stage shall be administered by programs contracting with the
22 department. Parents' eligibility for services will be governed by
23 Section 8263 and regulations adopted by the department.

24 (b) In order to move welfare recipients and former recipients
25 from their relationship with county welfare departments to
26 relationships with institutions providing services to working
27 families, it is the intent of the Legislature that families that are
28 former recipients of aid, or are transitioning off aid, receive their
29 assistance in the same fashion as other low-income working
30 families. Therefore, it is the intent of the Legislature that families
31 no longer rely on county welfare departments to obtain subsidies
32 beyond the time they are receiving other services from the welfare
33 department.

34 (c) A county welfare department shall not administer the third
35 stage of child care for CalWORKs recipients except to the extent
36 to which it delivered those services to families receiving, or within
37 one year of having received, Aid to Families with Dependent
38 Children before the enactment of this section.

39 (d) This article does not preclude county welfare departments
40 from operating an alternative payment program under contract

1 with the department to serve families referred by child protective
2 services.

3 ~~SEC. 103.~~

4 *SEC. 104.* Section 8355 of the Education Code is amended to
5 read:

6 8355. Child care during the third stage may be funded with
7 moneys dedicated to current and former recipients of aid under
8 Chapter 2 (commencing with Section 11200) of Part 3 of Division
9 9 of the Welfare and Institutions Code, or any successor program,
10 including the federal funds appropriated to alternative payment
11 program contractors in the 1996–97 fiscal year using the Budget
12 Act’s Section 28 process as described in subdivision (b). Nothing
13 shall prevent services provided under stage three from being funded
14 with moneys from other federal or state sources. Nothing in this
15 article shall preclude current and former recipients of aid under
16 Chapter 2 (commencing with Section 11200) of Part 3 of Division
17 9 of the Welfare and Institutions Code, or any successor program,
18 from receiving services pursuant to other provisions of this chapter.

19 ~~SEC. 104.~~

20 *SEC. 105.* Section 8356 of the Education Code is amended to
21 read:

22 8356. It is the intent of the Legislature that the department
23 work with Head Start and California state preschool programs to
24 generate extended-day and evening care for recipients of aid under
25 Chapter 2 (commencing with Section 11200) of Part 3 of Division
26 9 of the Welfare and Institutions Code, or any successor program,
27 through recruiting and training parents to be licensed and
28 license-exempt care providers and shall facilitate connections
29 between Head Start and California state preschool program
30 contractors and certificate administrators, including counties and
31 other alternative payment programs, so that funds available for
32 Sections 8351, 8353, and 8354 cover the cost of this care.

33 ~~SEC. 105.~~

34 *SEC. 106.* Section 8357 of the Education Code is amended to
35 read:

36 8357. (a) The cost of services provided under this article shall
37 be governed by regional market rates. Recipients of services
38 provided pursuant to this article shall be allowed to choose the
39 services of licensed providers or providers who are, by law, not
40 required to be licensed, and the cost of that care shall be reimbursed

1 by counties or agencies that contract with the department if the
2 cost is within the regional market rate. For purposes of this section,
3 “regional market rate” means care costing no more than 1.5 market
4 standard deviations above the mean cost of care for that region.
5 The regional market rate ceilings shall be established at the 85th
6 percentile of the 2005 regional market rate survey for that region.

7 (b) Reimbursement to license-exempt providers shall not exceed
8 60 percent of the family child care home rate established pursuant
9 to subdivision (a), effective July 1, 2011.

10 (c) Reimbursement to providers shall not exceed the fee charged
11 to private clients for the same service.

12 (d) Reimbursement shall not be made for services if care is
13 provided by parents, legal guardians, or members of the assistance
14 unit.

15 (e) A provider located on an Indian reservation or rancheria and
16 exempted from state licensing requirements shall meet applicable
17 tribal standards.

18 (f) For purposes of this section, “reimbursement” means a direct
19 payment to the provider of services, including license-exempt
20 providers. If care is provided in the home of the recipient, payment
21 may be made to the parent as the employer, and the parent shall
22 be informed of his or her concomitant legal and financial reporting
23 requirements. To allow time for the development of the
24 administrative systems necessary to issue direct payments to
25 providers, for a period not to exceed six months from the effective
26 date of this article, a county or an alternative payment agency
27 contracting with the department may reimburse the cost of services
28 through a direct payment to a recipient of aid rather than to the
29 provider.

30 (g) Counties and alternative payment programs shall not be
31 bound by the rate limits described in subdivision (a) if there are,
32 in the region, no more than two providers of the type needed by
33 the recipient of services provided under this article.

34 (h) Notwithstanding any other law, reimbursements to providers
35 based upon a daily rate may only be authorized under either of the
36 following circumstances:

37 (1) A family has an unscheduled but documented need of six
38 hours or more per occurrence, such as the parent’s need to work
39 on a regularly scheduled day off, that exceeds the certified need
40 for care.

1 (2) A family has a documented need of six hours or more per
2 day that exceeds no more than 14 days per month. In no event shall
3 reimbursements to a provider based on the daily rate over one
4 month's time exceed the provider's equivalent full-time monthly
5 rate or applicable monthly ceiling.

6 (3) This subdivision shall not limit providers from being
7 reimbursed for services using a weekly or monthly rate, pursuant
8 to subdivision (c) of Section 8222.

9 ~~SEC. 106.~~

10 *SEC. 107.* Section 8358 of the Education Code is amended to
11 read:

12 8358. (a) The department and the State Department of Social
13 Services shall design a form for license-exempt providers to use
14 for certifying health and safety requirements to the extent required
15 by federal law. Until the form is adopted, the information required
16 pursuant to Section 11324 of the Welfare and Institutions Code
17 shall continue to be maintained by the county welfare department
18 or contractor, as appropriate.

19 (b) The department and the State Department of Social Services
20 shall do both of the following:

21 (1) Design a standard process for complaints by parents about
22 the provision of care that is exempt from licensure.

23 (2) Design, in consultation with local planning councils, a single
24 application for all early learning and educational support programs
25 and all families.

26 (c) (1) County welfare departments and alternative payment
27 programs shall encourage all providers who are licensed or who
28 are exempt from licensure and who are providing care under
29 Section 8351, 8353, or 8354, to secure training and education in
30 basic child development.

31 (2) Provider job training provided to CalWORKs recipients that
32 is funded by either the department or the State Department of
33 Social Services shall include information on becoming a licensed
34 provider.

35 (d) The department shall increase consumer education and
36 consumer awareness activities so that parents will have the
37 information needed to seek high-quality services. High-quality
38 services shall include both licensed and license-exempt care.

1 ~~SEC. 107.~~

2 *SEC. 108.* Section 8358.5 of the Education Code is amended
3 to read:

4 8358.5. Notwithstanding any other confidentiality requirement,
5 the government or private agency administering subsidized care
6 services shall share information necessary for the administration
7 of the programs pursuant to this article and the CalWORKs
8 program pursuant to Chapter 2 (commencing with Section 11200)
9 of Part 3 of Division 9 of the Welfare and Institutions Code, for
10 the time period for which the person receives services.

11 ~~SEC. 108.~~

12 *SEC. 109.* Section 8359.1 of the Education Code is amended
13 to read:

14 8359.1. (a) It is the intent of the Legislature in enacting this
15 article to provide sufficient funding through an appropriation in
16 the annual Budget Act to fund the estimated cost of providing care
17 for all individuals who are anticipated to need care to participate
18 in the welfare-to-work programs and to transition to work.

19 (b) Funding for purposes of implementing this article shall be
20 appropriated in the annual Budget Act.

22 *SEC. 110.* The heading of Article 16 (commencing with Section

29 ~~SEC. 110.~~

30 *SEC. 111.* Section 8360 of the Education Code is amended to
31 read:

32 8360. (a) Early learning and educational support programs
33 shall include a career ladder for instructional staff. The governing
34 board of each contracting agency shall be encouraged to provide
35 instructional staff and aides with salary increases for the successful

36 services to low-income families in California.

37 (b) All disputes are currently resolved in the already
38 overburdened California courts resulting in a time-consuming and

1 Extensive funds have been expended by the department for those
2 purposes.

3 (c) The presence of public and private agencies, small as well

11 *SEC. 122.* Section 8401 of the Education Code is amended to
12 read:

20 (c) The department shall advise contractors of the provisions
21 of this section within 30 working days of its enactment.

22 ~~SEC. 124.~~

23 *SEC. 125.* Section 8447 of the Education Code is amended to
24 read:

25 8447. (a) The Legislature hereby finds and declares that greater
26 efficiencies may be achieved in the execution of state subsidized
27 early learning and educational support program contracts with
28 public and private agencies by the timely approval of contract
29 provisions by the Department of Finance, the Department of
30 General Services, and the State Department of Education and by
31 authorizing the State Department of Education to establish a
32 multiyear application, contract expenditure, and service review as
33 may be necessary to provide timely service while preserving audit
34 and oversight functions to protect the public welfare.

35 (b) (1) The Department of Finance and the Department of
36 General Services shall approve or disapprove annual contract
37 funding terms and conditions, including both family fee schedules
38 and regional market rate schedules that are required to be adhered
39 to by contract, and contract face sheets submitted by the State
40 Department of Education not more than 30 working days from the

1 date of submission, unless unresolved conflicts remain between
2 the Department of Finance, the State Department of Education,
3 and the Department of General Services. The State Department of
4 Education shall resolve conflicts within an additional 30 working
5 day time period. Contracts and funding terms and conditions shall
6 be issued to contractors no later than June 1. Applications for new
7 child care funding shall be issued not more than 45 working days
8 after the effective date of authorized new allocations of child care
9 moneys.

10 (2) Notwithstanding paragraph (1), the State Department of
11 Education shall implement the regional market rate schedules
12 based upon the county aggregates, as determined by the Regional
13 Market survey conducted in 2005.

14 (3) Notwithstanding paragraph (1), for the 2006–07 fiscal year,
15 the State Department of Education shall update the family fee
16 schedules by family size, based on the 2005 state median income
17 survey data for a family of four. The family fee schedule used
18 during the 2005–06 fiscal year shall remain in effect. However,
19 the department shall adjust the family fee schedule for families
20 that are newly eligible to receive or will continue to receive services
21 under the new income eligibility limits. The family fees shall not
22 exceed 10 percent of the family’s monthly income.

23 (4) Notwithstanding any other law, the family fee schedule that
24 was in effect for the 2007–08, 2008–09, 2009–10, and 2010–11
25 fiscal years shall be adjusted to reflect the income eligibility limits
26 specified in subdivision (b) of Section 8263.1 for the 2011–12
27 fiscal year, and shall retain a flat fee per family. The revised family
28 fee schedule shall begin at income levels at which families
29 currently begin paying fees. The revised family fees shall not
30 exceed 10 percent of the family’s monthly income. The State
31 Department of Education shall first submit the adjusted fee
32 schedule to the Department of Finance for approval in order to be
33 implemented by July 1, 2011.

34 (5) Notwithstanding any other law, the family fee schedule that
35 was in effect for the 2011–12 fiscal year pursuant to paragraph (4)
36 shall remain in effect for the 2012–13 fiscal year, and shall retain
37 a flat fee per family.

38 (6) It is the intent of the Legislature to fully fund the third stage
39 of child care for former CalWORKs recipients.

1 (c) With respect to subdivision (b), it is the intent of the
2 Legislature that the Department of Finance annually review
3 contract funding terms and conditions for the primary purpose of
4 ensuring consistency between child care contracts and the child
5 care budget. This review shall include evaluating any proposed
6 changes to contract language or other fiscal documents to which
7 the contractor is required to adhere, including those changes to
8 terms or conditions that authorize higher reimbursement rates, that
9 modify related adjustment factors, that modify administrative or
10 other service allowances, or that diminish fee revenues otherwise
11 available for services, to determine if the change is necessary or
12 has the potential effect of reducing the number of full-time
13 equivalent children that may be served.

14 (d) Alternative payment programs, as set forth in Article 3
15 (commencing with Section 8220), shall be subject to the rates
16 established in the Regional Market Rate Survey of California Child
17 Care Providers for provider payments. The State Department of
18 Education shall contract to conduct and complete a Regional
19 Market Rate Survey no more frequently than once every two years,
20 consistent with federal regulations, with a goal of completion by
21 March 1.

22 (e) By March 1 of each year, the Department of Finance shall
23 provide to the State Department of Education the State Median
24 Income amount for a four-person household in California based
25 on the best available data. The State Department of Education shall
26 adjust its fee schedule for providers to reflect this updated state
27 median income; however, no changes based on revisions to the
28 state median income amount shall be implemented midyear.

29 (f) Notwithstanding the June 1 date specified in subdivision (b),
30 changes to the regional market rate schedules and fee schedules
31 may be made at any other time to reflect the availability of accurate
32 data necessary for their completion, provided these documents
33 receive the approval of the Department of Finance. The Department
34 of Finance shall review the changes within 30 working days of
35 submission and the State Department of Education shall resolve
36 conflicts within an additional 30 working day period. Contractors
37 shall be given adequate notice before the effective date of the
38 approved schedules. It is the intent of the Legislature that contracts
39 for services not be delayed by the timing of the availability of
40 accurate data needed to update these schedules.

1 (g) Notwithstanding any other law, no family receiving
2 CalWORKs cash aid may be charged a family fee.

3 ~~SEC. 125.~~

4 *SEC. 126.* Section 8448 of the Education Code is amended to
5 read:

6 8448. As used in this article:

7 (a) “Financial and compliance audit” means a systematic review
8 or appraisal to determine each of the following:

9 (1) Whether the financial statements of an audited organization
10 fairly present the financial position and the results of financial
11 operations in accordance with generally accepted accounting
12 principles.

13 (2) Whether the organization has complied with laws and
14 regulations that may have a material effect upon the financial
15 statements.

16 (b) “Public accountants” means certified public accountants, or
17 state licensed public accountants.

18 (c) “Independent auditors” means public accountants who have
19 no direct or indirect relationship with the functions or activities
20 being audited or with the business conducted by any of the officials
21 or contractors being audited.

22 (d) “Generally accepted auditing standards” means the auditing
23 standards set forth in the financial and compliance element of the
24 “Government Auditing Standards” issued by the Comptroller
25 General of the United States and incorporating the audit standards
26 of the American Institute of Certified Public Accountants.

27 (e) “Direct service contract” means any contract with any public
28 or private entity for early learning and educational support
29 programs, resource and referral programs, and programs contracting
30 to provide support services, as defined in Section 8208.

31 (f) “Nonprofit organization” means an organization described
32 in Section 501(c)(3) of the Internal Revenue Code of 1954 which
33 is exempt from taxation under Section 501(a) of that code, or any
34 nonprofit, scientific, or educational organization qualified under
35 Section 23701d of the Revenue and Taxation Code.

36 (g) (1) Annually, there shall be a single independent financial
37 and compliance audit of organizations that contract with the state
38 under a direct service contract. Any such audit shall include an
39 evaluation of the accounting and control systems of the direct
40 service contractor and of the activities by the contractor to comply

1 with the financial requirements of direct service contracts received
2 by the contractor from the state agency. The financial and
3 compliance requirements to be reviewed during the audit shall be
4 those developed and published by the department in consultation
5 with the Department of Finance. Audits carried out pursuant to
6 this section shall be audits of the contractor rather than audits of
7 individual contracts or programs. In the case of any contractor that
8 receives less than twenty-five thousand dollars (\$25,000) per year
9 from any state agency, the audit required by this section shall be
10 conducted biennially, unless there is evidence of fraud or other
11 violation of state law in connection with the direct service contract.
12 The cost of the audit may be included in direct service contracts.

13 (2) The organization receiving funds from the state shall be
14 responsible for obtaining the required financial and compliance
15 audits of the organization and any subcontractors, except for direct
16 service subcontracts and other subcontracts exempt from
17 department review, as agreed to by the Departments of Finance
18 and General Services. The audits shall be made by independent
19 auditors in accordance with generally accepted auditing standards.
20 The audit shall be completed by the 15th day of the fifth month
21 following the end of the contractor's fiscal year. A copy of the
22 required audit shall be filed with the department upon its
23 completion. In the event an audit is not filed, the department shall
24 notify the organization of the contract violation. The audit report
25 filed shall be an integral part of the direct service contract file.

26 (h) (1) Nothing in this article limits the authority of the
27 department to make audits of direct service contracts. However,
28 if independent audits arranged for by direct service contractors
29 meet generally accepted auditing standards, the department shall
30 rely on those audits and any additional audit work shall build upon
31 the work already done.

32 (2) Nothing in this article precludes the state from conducting,
33 or contracting for the conduct of, contract performance audits
34 which are not financial and compliance audits.

35 (3) Nothing in this article limits the state's responsibility or
36 authority to enforce state law or regulations, procedures, or
37 reporting requirements arising pursuant thereto.

38 (4) Nothing in this article limits the responsibility of the
39 department to provide an independent appeal procedure according
40 to the provisions of the Administrative Procedure Act (Chapter 5

1 (commencing with Section 11500) of Part 1 of Division 3 of Title
2 2) of the Government Code.

11 of eligible service units have been provided.

12 (b) (1) Earned funds shall not be expended for any activities
13 proscribed by Section 8406.7. Earned but unexpended funds shall
14 remain in the contractor’s reserve account within the child
15 development fund and shall be expended only by direct classroom
16 service programs that are funded under contract with the
17 department.

18 (2) Commencing July 1, 2011, a contractor may retain a reserve
19 fund balance, separate from the reserve fund retained pursuant to

30 programs that are funded under contract with the department.

31 (d) Notwithstanding subdivisions (a) and (b), a contractor may
32 retain a reserve fund balance for alternative payment model and
33 certificate contracts, separate from the reserve fund retained
34 pursuant to subdivisions (b) and (c). Funds from this reserve
35 account may be expended only by alternative payment model and
36 certificate programs that are funded under contract with the
37 department. The reserve amount allowed by this section may not
38 exceed either of the following, whichever is greater:

39 (1) Two percent of the sum of the parts of each contract to which
40 that contractor is a party that is allowed for administration pursuant

1 to Section 8276.7 and that is allowed for supportive services
2 pursuant to the provisions of the contract.

3 (2) One thousand dollars (\$1,000).

4 (e) Each contractor's audit shall identify any funds earned by
5 the contractor for each contract through the provision of contracted
6 services in excess of funds expended.

7 (f) Any interest earned on reserve funds shall be included in the
8 fund balance of the reserve. This reserve fund shall be maintained
9 in an interest-bearing account.

10 (g) Moneys in a contractor's reserve fund may be used only for
11 expenses that are reasonable and necessary costs as defined in
12 subdivision (l) of Section 8208.

13 (h) Any reserve fund balance in excess of the amount authorized
14 pursuant to subdivisions (b), (c), and (d) shall be returned to the
15 department pursuant to procedures established by the department.

16 (i) Upon termination of all early learning and educational
17 support contracts between a contractor and the department, all
18 moneys in a contractor's reserve fund shall be returned to the
19 department pursuant to procedures established by the department.

20 (j) Expenditures from, additions to, and balances in, the reserve
21 fund shall be included in the agency's annual financial statements
22 and audit.

38 set pursuant to subdivision (c), unless the board deems it
39 appropriate to waive repayment at that time.

1 (f) If the renovated facility has been continuously used for
2 purposes of the program for the entire loan period, the board shall
3 waive repayment of the amount of the loan principal, plus interest,
4 at the end of the loan period.

21 1997–98 Regular Session.

22 (b) The Superintendent shall establish the qualifications to
23 determine the eligibility of agencies, including those that provide
24 preschool and extended day care services, to lease relocatable
25 facilities under this section.

26 (c) Although primary use of relocatable facilities shall be for
27 early learning and educational support programs, including
28 preschool and extended day care programs, those facilities may
29 be used for other purposes if the following conditions are met:

30 (1) The alternative use of the facility does not infringe upon the
31 accessibility of early learning and educational support programs
32 including preschool or extended day care programs.

33 (2) The Superintendent authorizes alternative use as being
34 compatible with early learning and educational support programs,
35 including preschool or extended day care programs.

36 (d) The State Allocation Board, with the advice of the
37 Superintendent, may do all of the following:

38 (1) Establish any procedures and policies in connection with
39 the administration of this section that it deems necessary.

1 (2) Adopt any rules and regulations for the administration of
2 this section requiring those procedures, forms, and information
3 that it deems necessary.

4 (3) Have constructed, furnished, equipped, or otherwise require
5 whatever work is necessary to place relocatable facilities for early
6 learning and educational support services, including preschool and
7 extended day care services where needed.

8 (e) The board shall lease relocatable facilities to qualifying
9 agencies providing early learning and educational support services,
10 including preschool or extended day care services, and shall charge
11 rent of one dollar (\$1) per year. The board shall require lessees to
12 undertake all necessary maintenance, repairs, renewal, and
13 replacement to ensure that a project is at all times kept in good
14 repair, working order, and condition. All costs incurred for this
15 purpose shall be borne by the lessee. Neither the board nor the
16 state shall assume any responsibility for utility services costs other
17 than initial installation costs reimbursed under this article, and the
18 agency shall provide adequate safeguards to protect the state's
19 interest in this regard.

20 (f) The board shall require lessees to insure at their own expense
21 for the benefit of the state, any leased relocatable facility that is
22 the property of the state, against any risks, including liability from
23 the use thereof, in the amounts the board deems necessary to protect
24 the interests of the state. Neither the board nor the state shall
25 assume any responsibility for utility services costs other than initial
26 installation costs reimbursed under this article, and the agency
27 shall provide adequate safeguards to protect the state's interest in
28 this regard.

29 (g) No relocatable facilities shall be made available to an agency
30 unless the agency furnishes evidence, satisfactory to the board,
31 that the agency has no other facility available for rental, lease, or
32 purchase in the geographic service area that is economically or
33 otherwise feasible.

34 (h) The board shall have prepared for its use, performance
35 specifications for relocatable facilities and bids for their
36 construction that can be solicited from more than one responsible
37 bidder. The board shall from time to time solicit bids from, and
38 award to, the lowest responsible competitive bidder, contracts for
39 the construction or purchase of relocatable facilities that have been
40 approved for lease to eligible agencies that provide early learning

1 and educational support services, including preschool or extended
2 day care services.

3 (i) If at any time the board determines that a lessees' need for
4 particular relocatable facilities that were made available to the
5 lessee pursuant to this article has ceased, the board may take
6 possession of the relocatable facilities and may lease them to other
7 eligible contracting agencies, or, if there is no longer a need for
8 the relocatable facilities, the board may dispose of them to public
9 or private parties in the manner it deems to be in the best interests
10 of the state.

11 (j) If a lessee uses a particular relocatable facility for only a
12 portion of the year, the board may enter into a second lease with
13 a public or private party for the use of that facility for the portion
14 of the year during which the facility would otherwise be unused,
15 in the manner it deems to be in the best interests of the state. The
16 lessee shall be subject to subdivisions (d) and (f).

23 of this chapter. The Superintendent shall establish qualifications
24 for determining the eligibility of agencies providing early learning

25 board that the renovated facility shall be used for purposes of the
26 program for the following periods:

27 (1) For loans equal to or less than thirty thousand dollars
28 (\$30,000), not less than three years from the beginning of the loan

33 thousand dollars (\$50,000).

34 (f) The board shall set the period of the loan for each recipient,

40 to the average of the interest rate applied to the last three bond

1 sales pursuant to Chapter 21.6 (commencing with Section 17695)

3 (h) In the event that a recipient ceases to use the renovated
4 facility for purposes of the program before the expiration of the
5 period specified pursuant to subdivision (e), the board shall collect
6 the entire outstanding balance of the loan, plus interest,
7 notwithstanding the loan period originally set pursuant to

39 Opportunities for public input shall include at least one public

19 (8) Coordinate part-day programs, including California state
20 preschool and Head Start, with other early learning and educational

22 (9) Submit the results of the needs assessment and the local
23 priorities identified by the local planning council to the county
24 board of supervisors and the county superintendent of schools for
25 approval before submitting them to the department.

26 (10) Identify at least one, but not more than two, members to
27 serve as part of the department team that reviews and scores
28 proposals for the provision of services funded through contracts
29 with the department. Local planning council representatives may

O

AMENDED IN SENATE APRIL 17, 2013

SENATE BILL

No. 768

Introduced by Senator De León

February 22, 2013

An act to amend Sections 30104, 30108, and 30181 of, and to add Article 2.5 (commencing with Section 30130.50) to Chapter 2 of Part 13 of Division 2 of, the Revenue and Taxation Code, relating to ~~taxation~~ taxation, and making an appropriation therefor, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

SB 768, as amended, De León. Cigarette and tobacco products ~~taxes~~ taxes: *California Tobacco Tax Act of 2014.*

The Cigarette and Tobacco Products Tax Law, the violation of which is a crime, imposes a tax on every distributor of cigarettes and tobacco products at specified rates, including additional taxes imposed under the Tobacco Tax and Health Protection Act of 1988 (Proposition 99) and the California Families and Children Act of 1998 (Proposition 10). A provision of that law imposes a tax upon the distribution of tobacco products at a tax rate that is equivalent to the combined rate of all taxes imposed on cigarettes, which is deposited in specified accounts.

~~This bill would state the intent of the Legislature to review the structure of the Cigarette and Tobacco Products Tax Law.~~

This bill would, on or after the first day of the first calendar quarter commencing more than 90 days on or after the effective date of the bill, impose an additional tax on the distribution of cigarettes at the rate of \$0.10 for each cigarette distributed; would require a dealer and a wholesaler to file a return with the State Board of Equalization showing the number of cigarettes in its possession or under its control on that

date, and impose a related floor stock tax; and would require a licensed cigarette distributor to file a return with the board and pay a cigarette indicia adjustment tax for cigarette tax stamps in its possession or under its control on that date. Because the bill would impose an additional tax on cigarettes under the Cigarette and Tobacco Products Tax Law, it would increase the tax upon the distribution of tobacco products under that law.

The bill would require, not later than December 1 of the 2nd year following a specified date, and each 2nd December 1 thereafter, the State Board of Equalization to review the cigarette taxes imposed by other states, determine the 5 highest taxes imposed by other states, and calculate the median tax per cigarette. The bill would increase the tax on the distribution of cigarettes, as specified, if the median of the 5 highest taxes imposed by other states is greater than a specified amount.

The bill would provide that the revenues collected from the additional tax be deposited in the California Tobacco Tax Act of 2014 Fund created by this bill, which would be a continuously appropriated fund, and transferred into the Tobacco Prevention and Education Account, the Tobacco Disease Related Health Care Account, and the Tobacco Law Enforcement Account to be expended for specified purposes. Because the California Tobacco Tax Act of 2014 Fund is a continuously appropriated fund, the bill would make an appropriation.

The bill would require moneys in the California Tobacco Tax Act of 2014 Fund to be transferred from the fund to the California Children and Families First Trust Fund, which is a continuously appropriated fund, the Cigarette and Tobacco Products Surtax Fund, the Breast Cancer Fund, and the General Fund, as necessary to offset revenue decreases to those funds directly resulting from imposition of additional taxes by these provisions. Because this bill would require funds to be transferred to a continuously appropriated fund, it would make an appropriation.

Because this bill would impose new requirements under the Cigarette and Tobacco Products Tax Law, the violation of which is a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would include a change in state statute that would result in a taxpayer paying a higher tax within the meaning of Section 3 of Article

XIIIA of the California Constitution, and thus would require for passage the approval of ²/₃ of the membership of each house of the Legislature.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would take effect immediately as a tax levy.

Vote: ~~majority~~²/₃. Appropriation: ~~no~~-yes. Fiscal committee: ~~no~~ yes. State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

1 *SECTION 1. The Legislature hereby finds and declares all of*
2 *the following:*

3 *(a) Tobacco use is the single most preventable cause of death*
4 *and disease in California, claiming the lives of more than 35,000*
5 *people every year. California still has approximately 3.4 million*
6 *adult smokers and 300,000 youth smokers.*

7 *(b) The inevitable health, environmental, and economic costs*
8 *of smoking come to over \$22 for every pack of cigarettes sold in*
9 *California.*

10 *(c) Tobacco use costs Californians more than \$9.6 billion in*
11 *medical expenses every year. The cost of lost productivity due to*
12 *tobacco use adds an additional estimated \$8.5 billion to the annual*
13 *economic consequences of smoking in California.*

14 *(d) The treatment of cancer, heart disease and stroke, lung*
15 *disease, diabetes, and other diseases related to tobacco use*
16 *continues to impose a significant burden upon California's*
17 *overstressed health care system, including publicly funded health*
18 *care programs.*

19 *(e) In 2013–14, it is estimated that the General Fund cost of*
20 *publicly funded health care programs to the state will be more*
21 *than \$15 billion. In 2013–14, it is estimated that publicly funded*
22 *health care programs will provide health care coverage to more*
23 *than 1.4 million families and more than 700,000 children. At the*
24 *same time, hundreds of thousands of families and children go*
25 *without any medical coverage due to financial constraints upon*
26 *the state and local government budgets and recent cutbacks in*
27 *publicly funded health care programs.*

28 *(f) A recent cost-benefit analysis concluded that if states*
29 *followed the United States Centers for Disease Control and*
30 *Prevention's Best Practices for Comprehensive Tobacco Control*

1 *Programs-2007 funding guidelines, up to 14 to 20 times the cost*
2 *of program implementation could be saved through reduced*
3 *medical and productivity costs as well as reduced Medicaid costs.*

4 *(g) The California Tobacco Tax Act of 2014 will help fund the*
5 *comprehensive California Tobacco Control Program designed to*
6 *change social norms about tobacco and discourage individuals*
7 *from taking up smoking and the use of other tobacco products*
8 *through educational programs, thereby saving the state and local*
9 *governments significant money now and in the future.*

10 *(h) Tobacco tax increases are an appropriate way to mitigate*
11 *the impacts of tobacco-related diseases and improve existing*
12 *programs providing for quality and access to health care services*
13 *for families and children.*

14 *(i) An increase in the tobacco tax will have an immediate effect*
15 *on smoking and is the most appropriate mechanism to fund services*
16 *to prevent tobacco use, help people quit smoking, and discourage*
17 *many people from taking up smoking.*

18 *(j) California taxes cigarettes at only \$0.87 per pack, and ranks*
19 *33rd in tobacco tax rates, reflecting one of the lowest tobacco*
20 *taxes in the United States. Thirty states have cigarette tax rates of*
21 *\$1 per pack or higher, and California is well below other west*
22 *coast states (Washington: \$3.025, Oregon: \$1.18, and Arizona:*
23 *\$2). California last raised its tobacco tax in 1998.*

24 *(k) The burden of smoking is not equally shared across*
25 *California populations and communities. Tobacco use rates are*
26 *much higher than the general population in African Americans,*
27 *white men, Korean men, enlisted military personnel, lesbian, gay,*
28 *bisexual and transgender, young adult, rural, and low-income*
29 *populations.*

30 *(l) A reinvigorated tobacco control program will allow targeted*
31 *public health and research efforts to combat the tobacco industry's*
32 *predatory marketing to ethnic groups, driving down smoking rates*
33 *and ultimately reducing heart disease, stroke, lung disease, and*
34 *cancer in these California communities, which together represent*
35 *more than half of our state's residents.*

36 *SEC. 2. Section 30104 of the Revenue and Taxation Code is*
37 *amended to read:*

38 *30104. The taxes imposed by this part shall not apply to the*
39 *sale of cigarettes or tobacco products by a distributor to a common*
40 *carrier engaged in interstate or foreign passenger service or to a*

1 person authorized to sell cigarettes or tobacco products on the
2 facilities of the carrier. Whenever cigarettes or tobacco products
3 are sold by distributors to common carriers engaged in interstate
4 or foreign passenger service for use or sale on facilities of the
5 carriers, or to persons authorized to sell cigarettes or tobacco
6 products on those facilities, the tax imposed by ~~Sections 30101,~~
7 ~~30123, and 30131.2~~ *under this part* shall not be levied with respect
8 to the sales of the cigarettes or tobacco products by the distributors,
9 but a tax is hereby levied upon the carriers or upon the persons
10 authorized to sell cigarettes or tobacco products on the facilities
11 of the carriers, as the case may be, for the privilege of making sales
12 in California at the same rate as set forth in ~~Sections 30101, 30123,~~
13 ~~and 30131.2~~ *under this part*. Those common carriers and authorized
14 persons shall pay the tax imposed by this section and file reports
15 with the board, as provided in Section 30186.

16 *SEC. 3. Section 30108 of the Revenue and Taxation Code is*
17 *amended to read:*

18 30108. (a) Every distributor engaged in business in this state
19 and selling or accepting orders for cigarettes or tobacco products
20 with respect to the sale of which the tax imposed by ~~Sections~~
21 ~~30101, 30123, and 30131.2~~ *under this part* is inapplicable shall,
22 at the time of making the sale or accepting the order or, if the
23 purchaser is not then obligated to pay the tax with respect to his
24 or her distribution of the cigarettes or tobacco products, at the time
25 the purchaser becomes so obligated, collect the tax from the

AMENDED IN ASSEMBLY APRIL 8, 2013
AMENDED IN ASSEMBLY MARCH 19, 2013
CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 273

Introduced by Assembly Member Rendon

February 7, 2013

An act to add Section 8242 to the Education Code, relating to child care and development services, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 273, as amended, Rendon. Child care and development services: California Partnership for Infants and Toddlers Act of 2013.

The Child Care and Development Services Act, administered by the Superintendent of Public Instruction, establishes a system of child care and development services for children from infancy to 13 years of age and their parents, including a full range of supervision, health, and support services through full- and part-time programs. Existing law requires the Superintendent to administer general child care and development programs, as specified.

This bill would enact the California Partnership for Infants and Toddlers Act of 2013, and would require the Superintendent, by March 1, 2014, to apply to the California Children and Families Commission for funding from the ~~funds moneys~~ received by the commission ~~from pursuant to the federal Quality Early Learning for Our Youngest Children program~~ *California Children and Families Program*. The bill would *continuously* appropriate these ~~funds moneys~~ to the Superintendent, who would be required to expend those moneys by making supplemental grants available to qualifying general child care

and development infant and toddler contracting agencies *that serve infants and toddlers from birth to 3 years of age for purposes of offering to enrolled children and families support services, as specified.* The Superintendent, in consultation ~~from~~ *with* the California Children and Families Commission, would be required to determine the agencies *and support services* that qualify for funding and establish standards to ensure quality *child care*.

The bill would require the Superintendent, by ~~January 1, 2018~~ *March 1, 2017*, to submit a report to the Legislature evaluating the act.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares all of the
 2 following:

3 (a) The first three years of life are a period of dynamic and
 4 unparalleled brain development in which children acquire the
 5 ability to think, speak, learn, and reason. During these first 36
 6 months, children need good health, strong families, and positive
 7 early learning experiences to lay the foundation for later school
 8 success. Low-income infants and toddlers are at greater risk for a
 9 variety of poorer outcomes and vulnerabilities, such as later school
 10 failure, learning disabilities, ~~behavior~~ *behavioral* problems,
 11 developmental delay, and health impairments.

12 (b) Existing state law requires the Superintendent of Public
 13 Instruction to administer ~~child care and development~~ *early learning*
 14 *and care* programs, including ~~the General Child Care and~~
 15 ~~Development program~~ *general child care and development*
 16 *programs* that ~~provides~~ *provide* services to eligible low-income
 17 children from birth to 12 years of age, *inclusive*. For children from
 18 birth to three years ~~old of age~~, the ~~General Child Care and~~
 19 ~~Development program~~ *funds general child care and development*
 20 *programs* fund centers and family child care home networks to
 21 provide full-day, full-year ~~child care and development~~ *early*
 22 *learning and care* services that meet the State Department of
 23 Education’s California Infant/Toddler Learning and Development
 24 Foundations.

25 (c) The federal Early Head Start program serves low-income
 26 infants and toddlers with a ~~flexible~~ *comprehensive* program model

1 intended to meet the varied needs of families, including ~~child care~~
2 ~~and development~~ *early learning and care* services, home visitation
3 services, health services, and family engagement. Research shows
4 that children who participated in Early Head Start had a
5 significantly larger ~~vocabularies~~ *vocabulary* and scored higher on
6 standardized measures of cognitive development, that *those*
7 children and *their* parents had more positive interactions, and *that*
8 *the* parents provided more support for learning. Many different
9 home visitation programs have been shown to significantly reduce
10 the occurrence of child maltreatment and abuse; and improve
11 children's health and school success.

12 (d) President Barack Obama, in his 2013 State of the Union
13 address, announced a major new initiative to increase federal
14 funding for early childhood education. This initiative includes a
15 competitive federal grant for states and local communities to
16 establish partnerships between Early Head Start and quality child
17 care.

18 (e) To improve the healthy development and school readiness
19 of California's most vulnerable children and to increase
20 California's competitiveness for federal funding, it is the intent of
21 the Legislature to enact legislation to establish the California
22 Partnership for Infants and Toddlers supplemental grant. The
23 Partnership for Infants and Toddlers supplemental grant will
24 provide voluntary funding for the contracting agencies of ~~the~~
25 ~~General Child Care and Development program~~ *general child care*
26 *and development programs* who serve infants and toddlers.

27 (f) ~~The funds authorized by this act will be used to offer enrolled~~
28 ~~children and families with support services, including, but not~~
29 ~~limited to, health and nutrition, home visitation, early childhood~~
30 ~~mental health, family engagement, and supplemental early learning~~
31 ~~services.~~

32 (g) ~~This act will provide local contractors with flexibility to~~
33 ~~tailor which support services to offer based on the unique needs~~
34 ~~of their community, families, and children.~~

35 (h) ~~By having the Superintendent of Public Instruction~~
36 ~~administer the grant, administrative and reporting requirements~~
37 ~~by contracting agencies will be both minimized and simplified.~~

38 SEC. 2. Section 8242 is added to the Education Code, to read:

39 8242. (a) This section shall be known, and may be cited, as
40 the California Partnership for Infants and Toddlers Act of 2013.

1 (b) ~~On or before March 1, 2014, the~~ *The* Superintendent shall
2 apply to the California Children and Families Commission ~~from~~
3 ~~for the funding moneys~~ received by the commission ~~from the~~
4 ~~federal Quality Early Learning for Our Youngest Children program,~~
5 ~~as authorized pursuant to Section 9840a of Title 42 of the United~~
6 ~~States Code pursuant to the California Children and Families~~
7 ~~Program (Division 108 (commencing with Section 130100) of the~~
8 ~~Health and Safety Code), to provide funds moneys~~ to eligible
9 agencies for purposes of the California Partnership for Infants and
10 Toddlers Act of 2013. The Superintendent shall apply for funding
11 ~~on or before March 1, 2014, with the option of renewing the grant~~
12 ~~funding on an annual basis, that would implement the supplemental~~
13 ~~grant program authorized by this section for a period of not less~~
14 ~~than three years.~~

15 (c) ~~The funds~~ *(1) Notwithstanding Section 13340 of the*
16 *Government Code, the moneys* received by the Superintendent
17 pursuant to subdivision (b) are hereby *continuously* appropriated
18 to the Superintendent, who shall expend those moneys by making
19 supplemental grants available to qualifying general child care and
20 development infant and toddler contracting agencies, ~~as determined~~
21 ~~by the Superintendent, agencies that serve infants and toddlers~~
22 ~~from birth to three years of age~~ at an amount of not less than two
23 thousand five hundred dollars (\$2,500) *annually* per child.

24 (2) *The moneys received pursuant to subdivision (b) shall be*
25 *used to offer to enrolled children and families support services,*
26 *including, but not limited to, health and nutrition, home visitation,*
27 *early childhood mental health, parental involvement, and*
28 *supplemental early learning services.*

29 (d) The Superintendent, in consultation ~~from~~ *with* the California
30 Children and Families Commission, shall determine which general
31 child care and development infant and toddler contracting agencies
32 *and support services* qualify for funding pursuant to this section,
33 and shall establish standards to ensure quality *child care*, based
34 on the federal Early Head Start program model, and other ~~evidence~~
35 ~~based evidence-based~~ services provided to infants and toddlers.

36 (e) *(1) Contracting agencies shall have the flexibility to tailor*
37 *which support services to offer based on the unique needs of their*
38 *community, families, and children.*

1 (2) *The Superintendent shall minimize and simplify the*
2 *administrative and reporting requirements for contracting*
3 *agencies.*

4 (e)

5 (f) (1) Notwithstanding Section 10231.5 of the Government
6 Code, on or before ~~January 1, 2018~~ *March 1, 2017*, the
7 Superintendent shall submit a report to the Legislature evaluating
8 the effectiveness of the supplemental grants provided by the
9 California Partnership for Infants and Toddlers Act of 2013 with
10 regard to supporting the healthy development and school readiness
11 of children.

12 (2) A report to be submitted pursuant to this subdivision shall
13 be submitted in compliance with Section 9795 of the Government
14 Code.

17 WHEREAS, In 2011 in San Diego County, only 51 percent of
18 third graders were proficient in English language arts and 34
19 percent of preschool-aged children were enrolled in early care and
20 education programs, while statewide only 46 percent of third
21 graders were proficient in English language arts and 25 percent of
22 preschool-aged children were enrolled in early care and education
23 programs; and

24 WHEREAS, A high-quality early care and education program,
25 which is the formal care and teaching of young children often
26 provided by individuals other than a child’s first teacher or parents,
27 that actively engages parents in their child’s education, results in
28 higher grades, better school attendance, increased motivation, and
29 higher graduation rates. It is well documented in research and
30 widely understood that quality early care and education programs
31 contribute tremendously to a child’s ability to mature, reach his
32 or her potential, and become a productive citizen; and

33 WHEREAS, Early care and education reflects a variety of
34 educational and care service options, including childcare,
35 development, and preschool programs that provide positive early
36 learning experiences to foster a child’s emotional, intellectual, and
37 social development, and lays the foundation for later academic
38 success; and

39 WHEREAS, Children learn by observing and modeling what
40 they see their parents do. When parents enroll in parenting classes,

1 they learn new techniques and realize that parental involvement
2 and early care and education will advance their children as
3 compared to other children whose parents do not know about or
4 do not value the importance of parental classes and early care and
5 education; and

6 WHEREAS, San Diego has a “Parent Engagement Education
7 Program” through the Parent Institute for Quality Education that
8 teaches parents how to create a positive and lasting educational
9 environment at home using a number of proven academic success
10 tools, including dedicating a home study location and time of day
11 for homework, creating ongoing dialog with their children about
12 academic successes and challenges, discussing children’s college
13 expectations, and more. Parents also learn about how grades are
14 used for college admittance, what classes are important and needed
15 for children planning to attend college, how to navigate the school
16 system, and other information vital to the academic success of
17 their children; and

18 WHEREAS, The earlier that parent involvement begins in a
19 child’s educational process, the more powerful the effects on the
20 child’s life. Sometimes parents do not realize that the parental
21 involvement and early care and education will have a positive
22 impact in the lives of their children forever. Studies have shown
23 that parental involvement is a strong predictor of school
24 achievement, especially among children from low-income families.
25 These studies have demonstrated that children in poverty whose
26 parents provide an engaging learning environment at home are
27 better prepared for school and have lower suspension rates than
28 their low-income peers; and

29 WHEREAS, Statistics on parental involvement indicate that
30 family participation in education is twice as predictive of a child’s
31 academic success as a family’s socioeconomic status, meaning a
32 child whose parents are engaged in their child’s education tends
33 to have fewer behavioral problems, performs better academically,
34 and is more likely to complete high school than a child whose
35 parents are not engaged in his or her education; and

36 WHEREAS, A child who attends quality early care and
37 education programs is less likely to be arrested and more likely to
38 earn higher incomes than a child who does not, and the opportunity
39 to participate in such programs prepares children to attain a higher
40 standard of living as adults and to become members of the

1 high-skilled workforce that is critical to our nation’s economic
2 future; and

3 WHEREAS, The finding of a connection between strong early
4 care and education programs and the state’s economic growth is
5 what compelled First 5 LA to make a number of early care and
6 education investments, including the ECE Works! Career
7 Development Policy Project, which promotes the development of
8 a strong early care and education workforce to prepare today’s
9 children for the dynamic workforce challenges of the future. This
10 early care and education workforce development initiative supports
11 the First 5 LA Strategic Plan FY 2009–2015’s goal of ensuring
12 that children are ready for kindergarten; and

13 WHEREAS, The public’s understanding of the relationship
14 between brain development at the early stages of life and a child’s
15 future development compelled voters in California to dedicate
16 resources solely for the benefit of children from birth to five years
17 of age through the establishment of First 5 California and county
18 First 5 commissions and agencies, which are located in all 58
19 counties, including Alameda, Contra Costa, El Dorado, Fresno,
20 Los Angeles, Merced, Orange, Sacramento, San Diego, San
21 Francisco, San Joaquin, Santa Barbara, Santa Clara, Santa Cruz,
22 Ventura, and Yolo Counties; and

23 WHEREAS, An integral part of a sound public investment
24 strategy to secure California’s economic future must include the
25 development of, and the appropriate compensation levels to recruit
26 and retain, a highly trained early care and education workforce;
27 and

28 WHEREAS, There is now broad-based consensus that early
29 care and education is a critical foundation for improving our
30 nation’s educational system and a vital investment strategy to
31 ensure the competitiveness of our nation’s workforce in the global
32 economy; and

33 WHEREAS, Historically, early care and education settings,
34 such as child care and preschool for infants, toddlers, and young
35 children, were viewed solely as a means of enabling parents to
36 function in the workforce, and public policy for providing and
37 funding early care and education was focused on safety and
38 accessibility; and

39 WHEREAS, Brain development research has informed our
40 understanding of the relevance and importance of early care and

1 education environments and the value of the early care and
2 education workforce. Public policy must develop and evolve to
3 more accurately reflect what we now know to be most effective,
4 including well-trained teachers offering high-quality services that
5 provide a large return on investment; and

6 WHEREAS, President Barack Obama’s 2013 State of the Union
7 Address proposed making high-quality preschool “available to
8 every single child in America.” The President explained that his
9 focus will be on low- and moderate-income four-year-old children.
10 The President stated, “Every dollar we invest in high-quality early
11 childhood education can save more than seven dollars later on—by
12 boosting graduation rates, reducing teen pregnancy, even reducing
13 violent crime. In states that make it a priority to educate our
14 youngest children, like Georgia or Oklahoma, studies show students
15 grow up more likely to read and do math at grade level, graduate
16 high school, hold a job, form more stable families of their own.
17 We know this works. So let’s do what works and make sure none
18 of our children start the race of life already behind. Let’s give our
19 kids that chance.”; now, therefore, be it

20 *Resolved by the Assembly of the State of California, the Senate*
21 *thereof concurring*, That we urge our colleagues in the California
22 State Legislature, the Superintendent of Public Instruction, and
23 the Governor of California to restore budget funding to early care
24 and education programs and to support efforts to fund and
25 implement the Quality Rating and Improvement System for early
26 care and education; and be it further

27 *Resolved*, That we urge our colleagues to commit to improving
28 the public’s understanding of the role that early care and education
29 plays in securing an educated, nimble, and stable workforce to
30 help keep California’s economy vibrant and strong for years to
31 come; and be it further

32 *Resolved*, That the Chief Clerk of the Assembly transmit copies

Current Text: Introduced: 2/22/2013 [pdf](#) [html](#)

Location: 3/7/2013-A. ED.

Summary: This bill finds and declares that the California School Age Families Education Program is a comprehensive, integrated, community-linked school-based program that improves the educational experiences for two vulnerable populations: expectant and parenting pupils and their children. The Cal-SAFE program is designed to focus on dropout prevention, school success, and youth development for enrolled pupils by increasing the availability of targeted supportive services, and to provide child care and development services for the children of enrolled pupils so that they are healthy and have enhanced school readiness. Nearly 60 percent of the children of Cal-SAFE program pupils attended a child care center funded by the Cal-SAFE program and received services based on developmental needs. Furthermore, 95 percent of the children enrolled in Cal-SAFE-sponsored child care were up-to-date on their immunizations. This bill would remove the California School Age Families Education Program (Cal-SAFE) from the list of categorical education programs for which their funding may be used for any educational purpose. The bill would also require school districts, charter schools, and county offices of education selecting not to maintain or reestablish a Cal-SAFE program to have their funding received in the annual Budget Act for the Cal-SAFE program reappropriated to the Budget Act item related to the Cal-SAFE program in the 2013-14 fiscal year and each subsequent fiscal year.
