Training Description

- Individual, easy-to-use 15-minute "packs" focusing on continuous quality improvement in early learning programs.
- Supported by a suite of comprehensive resources designed to extend learning, help participants "dig deeper" into the topic, and build their skill capacity.
- Organized in three comprehensive learning strands: Systems Thinking, Evidence and Effectiveness, and Intentional Interactions in Teaching.
- Organized by themes: Family Engagement, Dual Language Learners, and Supporting Individualization.
- Each pack includes an animated PowerPoint presentation, Facilitator Guide, and handouts.
- Participants earn up to 1.0 hour of professional development.
 - Must be delivered via in-person training by site director, coach, or trainers who meets the requirements of the CARES Plus Component A Training/Trainer Approval Process (http://www.cfc.ca.gov/programs/caresplus/caresplus_training.html).

For each face-to-face training using a PD2GO pack, participants must complete a post-training assignment and/or provide evidence of reflection on ways in which the information
