

**First 5 California CARES Plus Program**

Dear Parents, Guardians, and Families:

As a participant in the First 5 California CARES Plus program, I have been selected to participate in a year-long, one-on-one coaching-based training called MyTeachingPartner™ (MTP™). I am required to videotape 30-minute segments of classroom activities every two weeks. These videotapes will be shared only with my trained MTP coach. They will be used to provide me feedback on strategies I may use to improve my daily interactions with children.

Additionally, I am required to tape a two-hour video of classroom activities twice during the school year, once in the fall, and again in the spring. The videotaping will occur on:

Date: \_\_\_\_\_ Time: \_\_\_\_\_

I will update this posting when I am assigned my spring videotape observation date.

This is to inform you that during the videotaping, the image of your child may be captured on film. Please let me know if you have any concerns regarding this possibility so that I may make appropriate accommodations for your child during the videotaping.

If you would like more information regarding this program, please feel free to contact me or the site Director/Owner.

Thank you.

Sincerely,

CARES Plus Participant
