

IMPACT Briefs

Program and Evaluation
Advisory Committee
April 3, 2023

Brief 1:

The Role of Regional Hubs in Quality Counts California

- Regional Hub support for training and professional development
- Ensuring equity of access to resources
- Evaluating the success of activities
- Priorities for the future

Brief 2:

Preschool Quality, Child Development, and First 5 California Investment in IMPACT

- Learning and development gains in higher-quality-rated programs and lower-quality-rated programs
- Examination of results for children who are multilingual learners, children with disabilities, and children from different racial/ethnic groups

Thank you!
